## About the Line

I'm not sure if I was in the mood or having a mood when I sat down to design *Brilliance* but I LOVE the moodiness of the deep saturated colors in *Brilliance*. It is a bit of a color departure from what you typically see from me, but I stayed true to my design aesthetic and created quilts with stars, twirling pinwheels and simple but elegant patches. A couple of the designs are pre-cut friendly too!

I hope *Brilliance* puts you in the mood to possibly step out of your comfort zone and stitch up a quilt or two!
