About the Line

I love floral fabrics, and I love using fabric to tell a story. So when I started designing this collection, I wanted a story that involved more than just the florals. It just so happened that I was busy baking around the same time. It seemed like such a good match—baking and flowers—what could be better? Baking is a fun (and delicious) way to express my creativity, and I enjoy sharing it with others. Quilters are creative people, and so are bakers.

I've also included a fun panel in this collection so you can make quick projects and add the detail your projects deserve! The print on heavy cotton canvas is perfect for more heavy-duty projects such as baking aprons, tote bags, and toys.

I hope that *Flour & Flower* will inspire you to whip up some awesome quilts, and maybe a few desserts, too!
