About the Line

Evoking emotion through imagery is always the aim for artist J. Wecker Frisch and *Old School* is no exception to that rule. As the name suggests, Janet's new collection invites us for a nostalgic look at a time of valued traditions in learning and understanding. Staying true to a love of the modern/vintage eclectic style mix, Janet is delighted to be sharing treasured photographs, school books and papers passed down from members of her family.

Contrary to the artist's original back-to-school concept she continues to explore the ever popular book art trend, so perfectly suited for this subject. Janet's creative journey continues to connect with us as she shares her God given talent, bits of scripture and inspiration as we all push forward.
