## About the Line

*Pumpkin Patch* was inspired by one of Janet's original watercolors, depicting a jack-o-lantern character named Boo. The image was digitally distressed to resemble a vintage poster on a whitewashed fence. The pumpkin patch theme is further carried through showcasing 1800's illustrations of seedy characters on vegetable seed packets. A few of the artist's collected vintage labels and postcards were used for the two patch panels. The border stripe and story prints are a blend of an unusual book *The Vege-men's Revenge* by Florence K. Upton, verses by Bertha Upton, in public domain and Janet's own watercolors.
