## About the Line

*Serenity Blues* may look a bit familiar to some or possibly most of you and you would be correct. *Serenity Blues* represents my favorite prints from the original *Serenity Collection* introduced in 2019.

Based on a survey I did on my social channels; I was pleasantly surprised that most of you prefer a blue palette over a red palette which helped determine the palette for *Serenity's* new coloring. I LOVE how quick I can get answers to questions I spend way too much time pondering over. Oh, the convenience and power of social media; you gotta love it!

*Serenity Blues* does not disappoint either. A mix of large, medium and small-scale florals in a soothing palette of blues, taupe and creams will have you singing the blues too.

Additionally, we added (3) Gem Stone *Serenity Blues* to complete the collection and your quilts as 108" wide backs!

I hope you love the REMIX of *Serenity* in *Serenity Blues* as much as I do. Speaking honestly, I love it more than the original!

We support *Serenity Blues* with a capsule of classic quilt designs that you'll be hard pressed deciding which one(s) to make or which one to make first:

- Snowy Bear Paws
- Carousel Stars
- Stars All Around

I hope the collection, coupled with the quilt designs, inspires you to bring *Serenity Blues* into your shop!
