There can be variations in the size of the panel. The pattern says it is 24 ½" (This measurement could vary up to an 1". Please make adjustments accordingly.)

I made adjustments in the red damask. Border #1  
The side borders are cut 1 ¾" x 45 ½".  
The top and bottom borders are cut 2 ¾" x 27 ½".

Please measure your panel to make sure the above measurements will work.
