UNCLE SAM PANEL

FINISHED PROJECT SIZE 17" x 52"

Please read all instructions before beginning this project.

GENERAL INSTRUCTIONS

Please check www.rileyblakedesigns.com/pattern-updates or scan the QR Code for any revisions before starting this project.

This pattern requires a basic knowledge of sewing techniques and terminology.

The project diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

RST = Right Sides Together

RSO = Right Sides Out

FABRIC REQUIREMENTS

Fabric is from the Firecracker collection.

(1) P17206-PANEL Uncle Sam Panel

OTHER SUPPLIES

Basic Sewing Supplies

Polyester Fiberfill

ST-41019 Quilty™ Hemostat

Thick thread

CUTTING INSTRUCTIONS

Measurements include $\frac{1}{4}$ " seam allowance. Label, allocate, and organize all cuts according to the panel.

Uncle Sam Panel

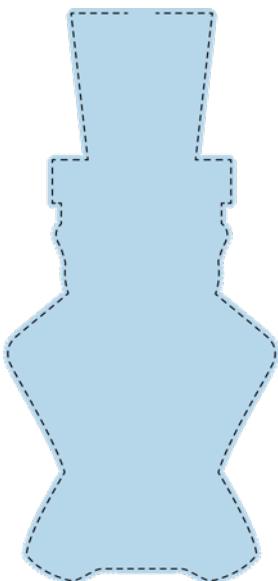

Carefully cut around each piece on the panel on the dashed lines.

SEWING TECHNIQUES

Sew all seams RST and with a $\frac{1}{4}$ " seam allowance unless stated otherwise. Refer to the diagrams for placement of the pieces.

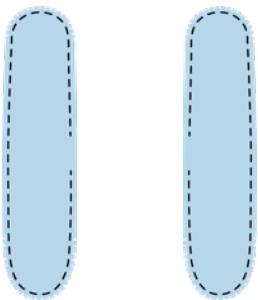

PART ASSEMBLY

1. Place (1) body front and (1) body back RST. Sew around the perimeter of the pieces, leaving a $1\frac{1}{2}$ " opening along the top edge for turning. Clip the curves. Using the Quilty™ Hemostat, or a turning tool, turn piece RSO through the opening. Stuff the piece with fiberfill. Whipstitch the opening closed.

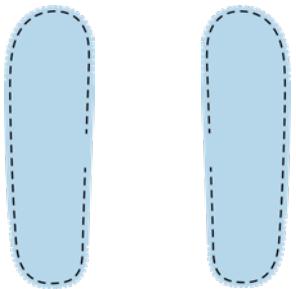

UNCLE SAM PANEL

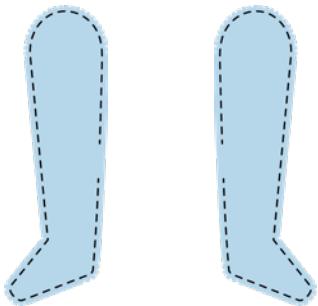

2. Place (1) arm front and (1) arm back RST. Sew around the perimeter of the pieces, leaving a 1 1/2" opening for turning. Make (2) arms. Clip the curves.

3. Place (1) upper leg front and (1) upper leg back RST. Sew around the perimeter of the pieces, leaving a 1 1/2" opening for turning. Make (2) upper legs. Clip the curves.

4. Place (1) lower leg front and (1) lower leg back RST. Sew around the perimeter of the pieces, leaving a 1 1/2" opening for turning. Make (2) lower legs. Clip the curves.

5. Using the Quilty™ Hemostat, or a turning tool, turn each arm and leg piece RSO through the opening. Stuff with fiberfill. Whipstitch each opening closed.

BODY ASSEMBLY

6. Use a thick thread to connect the body pieces together to form the body, as desired. Optional: Leave a 1" gap between the body parts to allow for movement after assembly.
