P. 3 Strip Set & Star Construction Overview

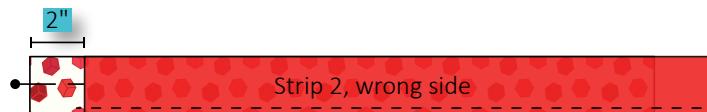

Should read:

Stars are created using $2 \frac{1}{2}$ " x 21" strips. Strips are sewn together lengthwise and offset 2" on the left-hand side. Each 6-fabric strip set is constructed from the top down. The strip set is then cut across the seams at a 45° angle to produce 2 $\frac{1}{2}$ -wide multi-fabric strips. 6 different multi-fabric strips—one each from 6 different strip sets—are assembled into a star's diamond shape. 2 diamonds equal a quarter star, 4 diamonds make a half star.

Quarter Star

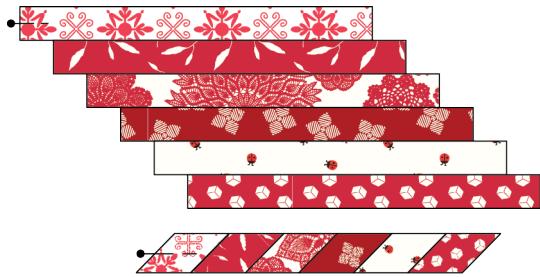

1. Repeat Steps 1-9 of the Vertical Half Star instructions (pages 3-5) using 5 light strips and 6 dark strips with labels beginning with QS. Sew 6 strip sets together using the following fabric combinations.

Exceptions:

- Step 6—Cut 2 multi-fabric strips from each strip set.
- Step 8—Make only 2 star diamonds.
