CUTTING REQUIREMENTS
Please read instructions first before cutting.
WOF - width of fabric. WOF for fat quarter is 21”.

Label pieces as they are cut.

The Triangles 1 and 2 for Tree 2 can be cut using the rulers listed in the additional requirements or using the templates included on pages 8 to 10.

To use the rulers follow the manufacturer’s instructions and additional instructions provided to cut the required number of triangles.

To use the templates provided, print the templates, using the actual size setting (check the inch square to ensure the correct size). Cut and join the parts of the Triangle 1 template together. Trace the Triangle 1 and 2 templates onto template plastic and cut out on the outside line.

Cutting Triangle 1 Pieces
Place the ruler or template right side up on a single layer of a 9” strip. Cut around the ruler/template for 1 - Triangle 1.

There are 2 different ways to cut multiple Triangle 1, depending on if the fabric print is or is not directional.

For non directional fabric: 2 - Triangle 1. Cut the first triangle as stated above. Rotate the ruler/template 180° so the base of the triangle is at the top of the strip and line up the left edg, then cut a second Triangle 1.

For directional fabric: 2 - Fussy cut Triangle 1. Cut the second triangle the same way as the first to preserve the direction of the fabric.

QUILT ASSEMBLY
Refer to the quilt photo for the placement of prints.

Tree Block 1 (Make 11)
Press the seams open.

Select the following pieces:
1- A, B, C and D of the same color and print
1- E
2- F, G and I
4- H

Place an I rectangle on the right end of the A rectangle, right sides together, matching the raw edges. Draw a diagonal line on the wrong side of the I rectangle across the corner. Sew on the drawn line. Trim the seam allowance above the sewn line to ¼". Flip the top piece away from the bottom piece and press. This is the sew and flip method.

Using the sew and flip method, sew an H rectangle to each end of the B rectangle, a G rectangle to each end of the C rectangle and an F square to each end of the D rectangle.

Sew the E square between 2 H rectangles.

Sew the 5 sewn sections together to complete 1 Tree Block 1 (10½" x 10½").

Repeat to make 11 Tree Block 1.
**CHRISTMAS IN THE WOODS**

**Tree Block 2 (Make 15)**
Press the seams open.

Select the following pieces:
1- Triangle 1, Triangle 2 and Reverse Triangle 2
2- J
3- K and L

Sew the Triangle 2 to the right side of the Triangle 1. Sew the Reverse Triangle 2 to the left side. Sew a K rectangle to each side.

Sew the J square between 2 L rectangles.

Sew the 2 sewn sections together to complete 1 Tree Block 2 (10½" x 10½").

Repeat to make 15 Tree Block 2.

**House Block (Make 4)**
Press the seams towards the dark print.

Select the following pieces:
1- M and N, 2- O, P and Q of the same color and print
2- U and 2- V of the same color and print
3- R, T and X
4- S, W and Y

Sew the T rectangle between the 2 O rectangles. Sew the N rectangle to the top to complete the Door Unit (5" x 6¼").

Sew the U rectangle between the 2 Q rectangles. Sew the resulting section between the 2 V rectangles. Sew a P rectangle to the top and bottom to complete the Window Unit (6" x 6¼").

Sew the X rectangle between the 2 S squares. Sew the resulting section between the 2 Y rectangles to complete the Chimney Unit (10¼" x 1½").

Print 4 sets of the Roof Parts Foundation pieces (page 11) onto foundation paper, using the actual size setting (check the inch square to ensure the correct size). Cut out each foundation leaving ¼" paper around the outside line. When sewing on the paper foundation reduce stitch length to 1.8 mm.

Place the Roof Part 1 paper foundation on top of the M rectangle, wrong sides together (WST), matching the edges so the rectangle covers the 1-1 triangle and pin in the center.

Fold the paper foundation away from the M rectangle along the line between sections 1-1 and 1-2. Trim the M rectangle to ¼" beyond the fold. Open the paper and press flat. Place 1 W rectangle on the M rectangle, right side together (RST), centered along the trimmed edge. Sew along the line between sections 1-1 and 1-2 on the paper foundation extending through the seam allowance. Press the triangle away from the M rectangle over section 1-2.

Trim the completed foundation along the outside solid lines to complete the Roof Part 1.
Repeat the above process to sew the R rectangle over section 2-1 and the remaining W rectangle over section 2-2 of the Roof Part 2 paper foundation.

Sew the Roof Parts 1 and 2 together to complete the Roof Unit (10½" x 3¼").

Sew the Door Unit to the left of the Window Unit. Sew the Roof Unit, followed by the Chimney Unit to the top to complete 1 House Block (10½" x 11¾"). Remove the paper foundation.

Repeat to make 4 House Blocks.

**Quilt Center**

Sew the Tree and House Blocks together into 6 Rows of 5 Blocks as shown in the Quilt Layout Diagram on page 7. Press the seams in opposite directions.

Sew the Rows together to complete the Quilt Center (50¾" x 60¾").

**Borders**

Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew side borders first.

**Border 1**

Side borders should be 60½". Top and bottom borders should be 52½".

**Border 2**

Side borders should be 62½".

Top and bottom border centers should be 52½". Sew a Z square to each end of the border centers to complete the top and bottom borders (64¾").

Finish quilt by layering the quilt top, batting, and back. Bind with your favorite Liberty Fabrics A Festive Collection print. Have fun with your colors and enjoy the journey of making your quilt.
