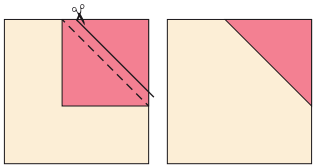
QUILT ASSEMBLY
Refer to the quilt photo and layout for the placement of prints. Press seam allowances as shown in the diagrams unless otherwise stated. A double arrow notates pressing seams open.

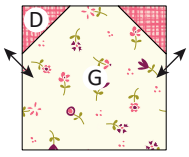
General Instructions
All angled pieces are constructed using the Stitch and Flip method. This method is described below and referenced throughout the pattern.

Stitch and Flip Method (SNF)
Place the (2) pieces right sides together matching the raw edges in one corner. Draw a diagonal line on the wrong side of the top piece across the corner. Sew on the drawn line. Trim the seam allowance above the sewn line to ¼". Flip the top piece away from the bottom piece and press.

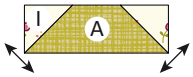


Border Blocks (Make 22)
1. Select the following pieces:
   (1) A rectangle and G square
   (2) C squares and H rectangles
   (3) B squares
   (4) D and I squares

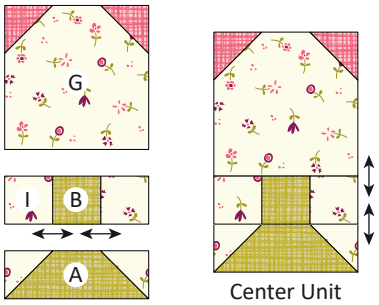
2. Using the SNF method, sew D squares to the upper corners of the G square (3 ½" x 3 ½").



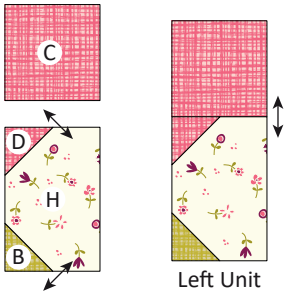
3. Repeat to sew I squares to the upper corners of the A rectangle (1 ½" x 3 ½").



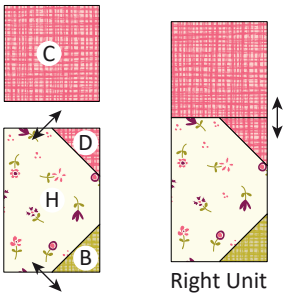
4. Sew (1) B square between (2) I squares. Sew the pieced squares between the G square and A rectangle to make the Center Unit (3 ½" x 5 ½").



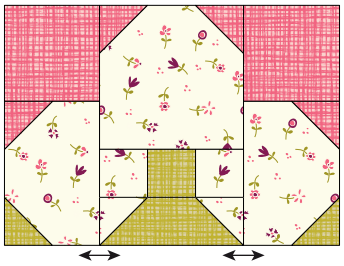
5. Using the SNF method, sew a D square to the upper left and a B square to the lower left corner of an H rectangle. Sew a C square to the top to make the Left Unit (2 ½" x 5 ½").



6. Using the SNF method, sew a D square to the upper right and a B square to the lower right corner of an H rectangle. Sew a C square to the top to make the Right Unit (2 ½" x 5 ½").



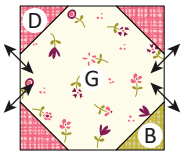
7. Sew together the Left, Center and Right Units to complete (1) Border Block (5 ½" x 7 ½"). Repeat to make (22) Border Blocks.



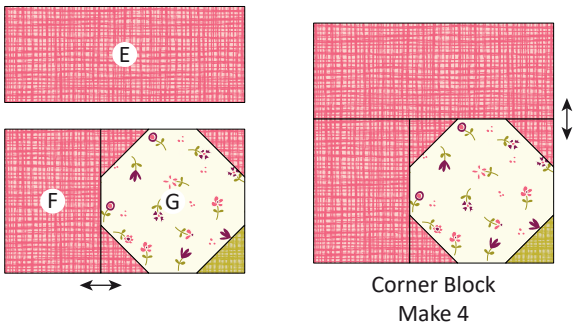
Corner Blocks (Make 4)

8. Select the following pieces:
   (1) B and G square and E and F rectangle
   (3) D squares

9. Using the SNF method sew the B square to the lower right corner and D squares to the remaining corners of the G square (3 ½" x 3 ½").



10. Sew the F rectangle to the left edge, followed by the E rectangle to the top edge of the G square to complete (1) Corner Block (5 ½" x 5 ½"). Repeat to make (4) Corner Blocks.



Borders

11. Seam allowances vary, so measure through the center of the quilt before cutting border pieces. Piece borders strips together end-to-end where necessary.

12. Sew side borders first. Press seam allowances toward the borders.

Border 1

13. Sew together (6) Border Blocks end to end. Repeat to make (2) border strips (5 ½" x 42 ½"). Sew the border strips to the left and right edges of the Center Panel (45 ½" x 42 ½").

14. Sew together (5) Border Blocks. Sew a Corner Block to each end, noting the orientation of the corner block. Repeat to make (2) border strips (5 ½" x 45 ½"). Sew the border strips to the top and bottom edges of the Center Panel (45 ½" x 52 ½").

Border 2

15. Side borders should be 52 ½". Top and bottom borders should be 47 ½".

Finish quilt by layering the quilt top, batting, and back. Bind with the Texture Flamingo strips. Enjoy and share your quilt using the hashtags #adelinsummerfabric, #adelinsummerpanelquilt, #rileyblakedesigns and #iloverileyblake.
