QUILT ASSEMBLY
Refer to the quilt photo for placement of fabrics and blocks.

Pinwheel Block
Draw a line from corner to corner on the wrong side of the clean white solid 5” squares. Place clean white solid 5” squares on top of the gray damask and orange deco 5” squares. Sew ¼” on each side of the drawn line. Cut on the lines to make 36 Half Square Triangles (16 Gray and 20 Orange). Press. Square up the Half Square Triangles to 4½”.

Referring to the block diagram for placement, sew 4 Half Square Triangles together to create the Pinwheel Block. Repeat to make 9 Pinwheel Blocks (4 Gray and 5 Orange).

Four-Patch Block
Sew 2 clean white solid 4½” squares, 1 citron damask 4½” square, and 1 blue curtain 4½” square together to create the Four-Patch Block. Repeat to create 8 Four-Patch Blocks.

Two-Patch Block
Sew a clean white solid 4½” x 8½” rectangle and a citron damask 4½” x 8½” rectangle together to create the Two-Patch Block. Repeat to create 4 Two-Patch Blocks.

Setting Triangles
Sew a gray deco triangle to each side of a citron damask 4½” square to create the Setting Triangle. Repeat to create 12 Setting Triangles.

Quilt Center Assembly
Refer to the quilt photo for Pinwheel Block, Center Block, Four-Patch Block, Two-Patch Block, and Setting Triangle placement. Sew rows together on the diagonal to complete the center of the quilt. Add Corner Triangles. The Corner and Setting Triangles are intentionally larger in order to square up the quilt center, leaving ½” seam allowance on all sides.

Borders
Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.

Border 1
Side borders should be 45½”. Top and bottom borders should be 49⅜”.

Border 2
Side borders should be 49½”. Top and bottom borders should be 55⅜”.

Border 3
Side borders should be 55⅝”. Top and bottom borders should be 67⅜”.
