GENERAL INSTRUCTIONS

Please check www.rileyblakedesigns.com/pattern-updates

or scan this QR code for any updates to the pattern before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The runner and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

These instructions are intended to be used in conjunction with all eight of Lori Holt's Baked With Love Quilt Seeds™ Patterns, a pattern series featuring eight different placemat blocks. Each pattern is a great standalone placemat, or combine all eight to create this table runner or another project of your choosing. 3. Finish the runner by layering the runner top, batting, and backing. Baste the runner layers together and quilt as desired. Add optional trim and finish with the Olive Tablecloth binding strips. For trim, cut (4) pieces of Large Olive Trim the same length as each side of the table runner. Lay the trim even with the raw edges and baste into place, 1/8" from the raw edges. All of the trim should be on the table runner. Bind using your favorite method. An 1/8" of the trim will show on the top of the table runner after binding.
