FINISHED QUILT SIZE 57" x 64"
Measurements include ¼" seam allowance. Sew with right sides together unless otherwise stated.

Please check our website www.rileyblakedesigns.com for any revisions before starting this project. This pattern requires a basic knowledge of quilting technique and terminology. The quilt and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric.

FABRIC REQUIREMENTS
1 P9322 Barnyard Calf Panel
⅝ Yard C120 Riley Black Solid
⅝ Yard C200 Slate Gray Shades
1⅞ Yards C7017 Gray Fence
Binding ⅝ Yard (60 cm)

CUTTING REQUIREMENTS
Please read instructions first before cutting. Seam allowances vary so measure through the center of the quilt before cutting border pieces.

Barnyard Calf Panel
The panel needs to measure 42½" wide x 35½" high. If your panel is slightly larger than this, do not trim off the entire difference from only one side of the panel. In order to make sure that the image in the panel remains centered, you may need to trim a little bit from both sides of the panel. This is also true if the height of the panel measures larger than 35½".

Riley Black
Cut 4 strips 3½" x WOF for Border 1.

Slate Gray
Cut 5 strips 3½" x WOF for Border 2.

Gray Fence
Cut 6 strips 5½" x WOF for Border 3.

QUILT ASSEMBLY
Refer to the quilt photo for placement of fabrics.

Borders
Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.

Border 1
Side borders should be 35½". Top and bottom borders should be 48½".

Border 2
Side borders should be 41½". Top and bottom borders should be 54½".

Border 3
Side borders should be 51½". Top and bottom borders should be 64½".

Finish quilt by layering the quilt top, batting, and back. Bind with your favorite Riley Blake fabric from the Barnyard Friends Collection. Have fun with your colors and enjoy the journey of making your quilt.
