HOLY NIGHT

FINISHED QUILT SIZE 59" × 65"

Please read all instructions before beginning this project.
Yardage calculated using a 42" usable width of fabric.

GENERAL INSTRUCTIONS

Please visit www.rileyblakedesigns.com/pattern-updates for any revisions before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

Please note that prewashing can shrink 100% cotton fabric. Always verify after washing and drying that there is still 42" of usable width available. Shrinkage can affect the size of panel motifs and fussy cutting sizes may need to be adjusted. If this is the case, add strips around the edge of the fussy cut piece to create a pieced unit that matches the size of the fussy cut dimensions given in the cutting instructions.

WOF = Width of Fabric
LOF = Length of Fabric
RST = Right Sides Together
SNF = Stitch and Flip

SEWING TECHNIQUES

All seams should be sewn with a $\frac{1}{4}"$ seam allowance unless stated otherwise. Sew all seams with RST unless otherwise stated. Refer to the quilt layout diagram for placement of the prints. Press seams as desired unless stated otherwise. Dimensions listed in steps are unfinished sizes unless stated otherwise. Please refer to the following general sewing techniques as these methods are referenced throughout the pattern in their abbreviated form.

STITCH AND FLIP METHOD (SNF)

Place (2) pieces RST, matching raw edges in the corner to be replaced. Draw a diagonal line on the wrong side of the smaller piece across the corner. Stitch on the drawn line. Trim the seam allowance outside the sewn line to $\frac{1}{4}"$. Flip the small piece away from the larger piece and press, replacing the corner. Repeat to replace a second adjacent corner. The size of the larger, original piece does not change.

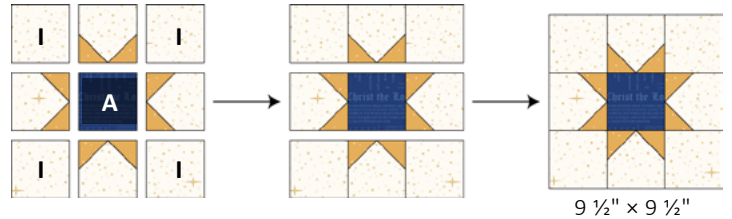

BLOCK ASSEMBLY

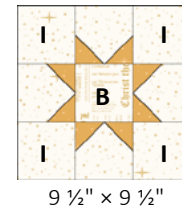

- Using the SNF method, replace both bottom corners of (1) **I**-square using (2) **C**-squares. Make (4) Star Point Units that measure $3\frac{1}{2}" \times 3\frac{1}{2}"$.

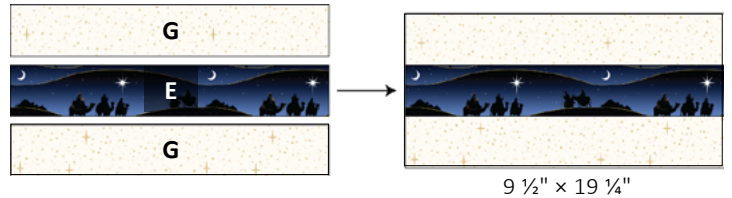

- Arrange and sew (4) Star Point Units, (4) **I**-squares, and (1) **A**-square as shown. Repeat Steps 1-2 to make (4) Blue Stars that measure $9\frac{1}{2}" \times 9\frac{1}{2}"$.

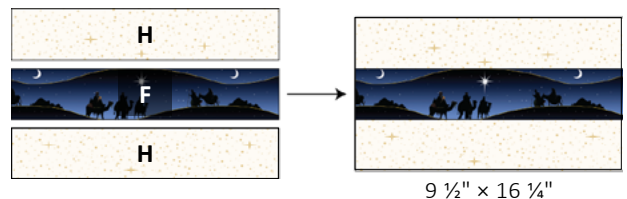

- Repeat Steps 1-2 to make (4) Cream Stars using (4) **B**-squares in place of the **A**-squares.

- Arrange and sew (2) **G**-rectangles and (1) **E**-rectangle as shown. Make (4) Side Blocks that measure $9\frac{1}{2}" \times 19\frac{1}{4}"$.

- Arrange and sew (2) **H**-rectangles and (1) **F**-rectangle as shown. Make (4) Top/Bottom Blocks that measure $9\frac{1}{2}" \times 16\frac{1}{4}"$.

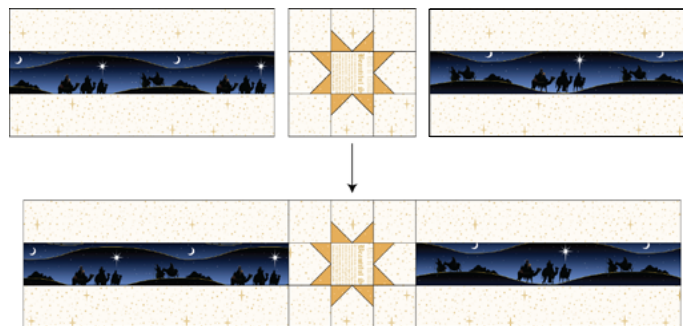

HOLY NIGHT

QUILT ASSEMBLY

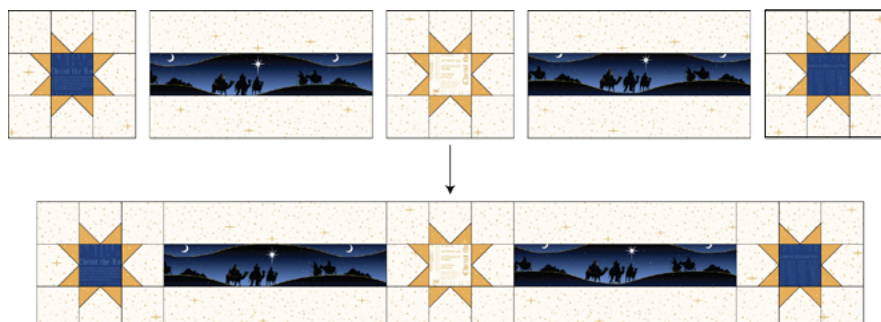

6. Arrange and sew (2) **D**-strips, (2) **J**-strips, and the Panel as shown to make the Quilt Center which should measure 41" x 47".

7. Arrange and sew (2) Side Blocks and (1) Cream Star Block as shown. Pay close attention to the orientation of the Side Blocks so that the motifs are turned the same direction. Make (2) Side Borders that should measure 9 1/2" x 47".

8. Arrange and sew (2) Top/Bottom Blocks, (1) Cream Star Block, and (2) Blue Star Blocks as shown. Again, pay close attention to the orientation of the Top/Bottom Blocks so that the motifs are turned the same direction. Make (2) Top/Bottom Borders that should measure 9 1/2" x 59".

HOLY NIGHT

9. Sew (1) Side Border to each side of the Quilt Center, then sew the Top/Bottom Borders to the top and bottom, paying close attention to the orientation of the borders. The quilt top is now complete and should measure 59" x 65".

FINISHING INSTRUCTIONS

10. Layer your backing, batting, and quilt top. Baste and quilt as desired.
11. Sew the Blue Starry Sky binding strips together end-to-end. Bind the trimmed, finished quilt using your favorite binding method.
