Pattern designed by Tara Reed.

GENERAL INSTRUCTIONS

Please check www.rileyblakedesigns.com/pattern-updates or scan the QR Code for any revisions before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

Always verify your panel size before beginning. If your panel measurements differ from those given in the pattern, trim to the desired size or use coping strips to alter the size of your panel. If coping strips are needed, add oversized, coordinating strips of fabric to the necessary edges of the panel, then trim to the size specified in the pattern.

WOF = Width of Fabric

LOF = Length of Fabric

RST = Right Sides Together

HST = Half Square Triangle

SEWING TECHNIQUES

Sew all seams RST and with a 1/4" seam allowance unless stated otherwise. Refer to the Quilt Layout Diagram for placement of the fabrics. Press seams as desired unless stated otherwise. Dimensions listed in steps are unfinished sizes. Please refer to the following general sewing technique as this method is referenced throughout the pattern in its abbreviated form.

8-AT-A-TIME HALF SQUARE TRIANGLE METHOD (HST)

Place (2) squares RST. Draw a diagonal line in both directions on the wrong side of (1) square. Sew 1/4" on each side of both drawn lines. Cut on the drawn lines and through the vertical and horizontal center to create (8) HSTs. Press toward the darker fabric. Trim HSTs to the indicated size.

BLOCK ASSEMBLY

1. Use the 8-at-a-time HST method using (1) **B**-square and (1) **I**-square to make (8) HST units. Repeat to make (32) total HST units.

Make (32)

3" x 3"

2. Sew (2) HST units together as shown below to make (1) Star Point Unit. Repeat to make (16) total units.

Make (16)

3" x 5 1/2"
