CRAZY LOVE QUILT INSTRUCTIONS

Quilt Top Size – 54" x 54"

Please read ALL instructions before beginning project. Because seam allowances vary, measure through center of quilt before cutting border pieces.

Please check our website www.rileyblakedesigns.com for any revisions before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. Quilt and block diagrams portrayed are virtual images. Layout and look of your project may differ when using actual fabric.

QUILT FABRIC REQUIREMENTS

One Crayola™ Valentine Fat Quarter Box

OR one Fat Quarter of the following:

CR480-Crayola™ Kaleidoscope Bubble Bath

CR480-Crayola™ Kaleidoscope Piggy Pink

CR480-Crayola™ Kaleidoscope Razzmatazz

CR480-Crayola™ Kaleidoscope Pouncy Purple

CR480-Crayola™ Kaleidoscope Wisteria

C120-Crayola™ Carnation Pink Solid

C120-Crayola™ Tickle Me Pink Solid

C120-Crayola™ Razzmatazz Solid

C120-Crayola™ Strawberry Red Solid

C120-Crayola™ Mahogany Solid

1 1/3 Yards C120-Crayola™ Space Shuttle White

1 1/4 Yards CR480-Crayola™ Kaleidoscope Razzmatazz

1/2 Yard CR480-Crayola™ Kaleidoscope Pouncy Purple
for Binding

HELP ALONG THE WAY

Fabric quantities are for 43"/44" wide, 100% cotton fabrics.

All seams are 1/4" unless otherwise noted.

RST = Right-Sides-Together

WSoF = Wrong Side of Fabric

FQ = Fat Quarter

LoFQ = Length of Fat Quarter

HST = Half Square Triangle

Prior to cutting any of fabric "square-up" yardage by cutting a straight edge along raw edge, this will result in more accurate strip and patchwork cutting/piecing.

Identify fabric cuts, as shown in **Fabric and Cutting Requirements Table-Page 5**, with alphabet-pins or sticky-notes when cutting for ease in placement.

Press seams to darkest side, unless otherwise noted.

FABRIC AND CUTTING REQUIREMENTS

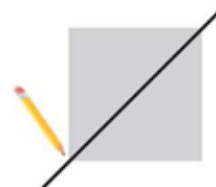

Crayola™ Valentine Fat Quarter Box Fabrics:

Note: Cut **FQ** strips on lengthwise of grain (parallel to selvage). Don't worry if **FQ** is not a full 18", as strips will be sub-cut. See **Piano Key Strips** section for additional information.

See **Fabric and Cutting Requirements Table**, Page 5, for a complete breakdown of fabric and cutting requirements.

FABRIC AND BLOCK PREP

1. Using a pencil draw a faint line across diagonal, on **WSoF**, on **ALL** Space Shuttle White squares in pattern.

Heart

1. For **LEFT** side of heart (left to right), assemble and stitch together strips O, L, I and S.
2. For **RIGHT** side of heart (left to right), assemble and stitch together strips L, O, I, and S strips together.

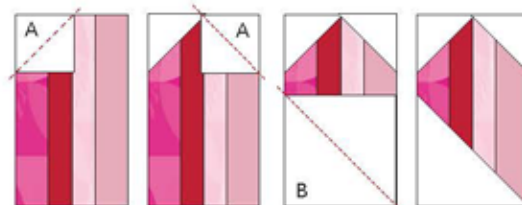

O, L, I & S

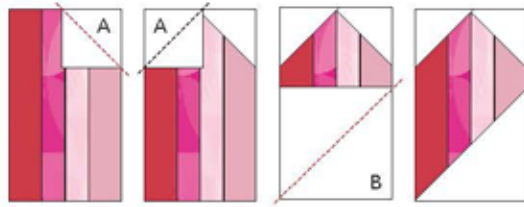

L, O, I & S

3. With **RST** place one square A on top left corner of **LEFT** heart. Stitch across line. Press seam to darkest fabric. Trim excess seam allowance. Add second square A to top right corner of unit. Press and trim.
4. Add one B square to bottom left corner of **LEFT** heart unit. Press and trim.

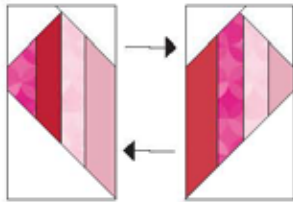

5. Repeat Step 3 on **RIGHT** heart unit.
6. Add one B square to bottom left corner of **LEFT** heart unit. Press and trim. Repeat process on bottom right

corner of **RIGHT** heart unit.

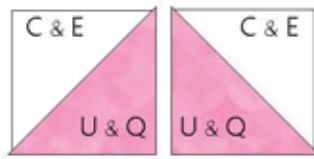

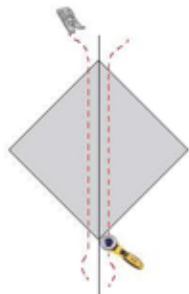

7. Stitch heart units together. Trim to 8 1/2" square. Set aside.

Small and Large Churn Dash HSTs

1. Small Churn Dash - With **RST** align squares C and U. Stitch 1/4" away from drawn line on both sides. Cut along drawn line to create two **HSTs**. Press seams to darkest side. Trim block to 8 1/2" square. Repeat. Four **HST** units are needed. Set aside.
2. Large Churn Dash - Repeat Step 1 with squares E and Q. Trim block to 12 1/2" square. Repeat. Four **HST** units are needed. Set aside.

(Small Churn Dash Strip Colors)

Large and Small Churn Dash Strip Units

1. Small Churn Dash - With **RST**, align long edge of rectangle D with rectangle V. Stitch. Press. Repeat. Four strip units are needed. Set aside.
2. Large Churn Dash - Repeat Step 1 with squares F and R. Repeat. Four strip units are needed. Set aside.

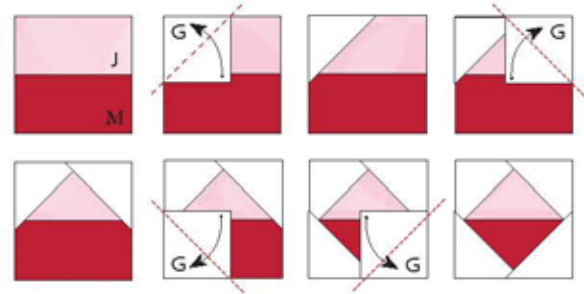

(Small Churn Dash Strip Colors)

Cornerstone Blocks

1. With **RST** stitch rectangle J and M together. Repeat to complete four cornerstone units.

2. Place square G on left top corner, stitch across drawn line. Flip inside corner to outside. Press. Place square G on right top corner. Stitch on drawn line. Flip and press. Repeat on bottom corners. Trim block to 3 1/2" square. Open "wings" and trim seam allowances to 1/4". Repeat. Four cornerstone units are needed. Set aside.

Piano Key Strips

There are two options in which the Piano Key Strips can be completed. Both options require some "unpicking" to accommodate cornerstone blocks.

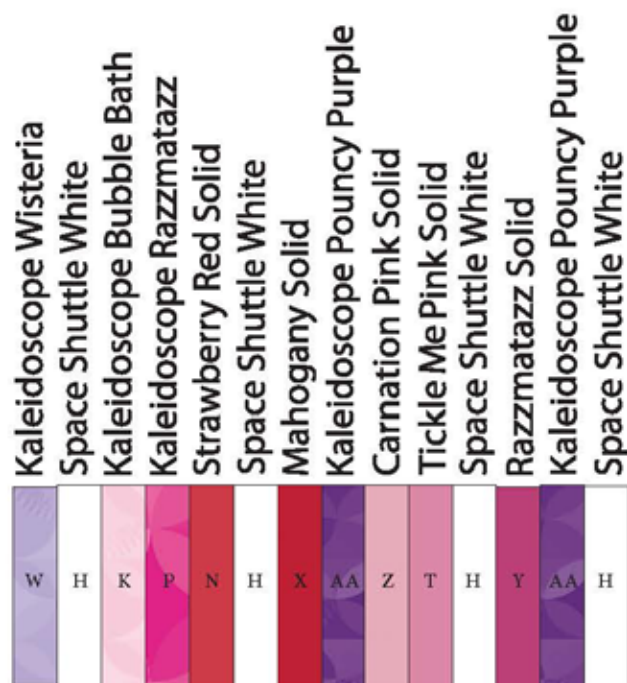

Option #1 - Sub-cut piano key fabrics into 1 1/2" x 3 1/2" strips as follows:

- 28 - Fabric H
- 7 - Fabric K, N, P, T, W, X, and Z
- 6 - Fabric Y
- 13 - Fabric AA

1. Stitch strips together in color-order shown below. Seven 14 1/2" x 3 1/2" units are needed to complete borders.
2. Stitch units end to end to achieve one long unit.
3. This is where the "unpicking" comes in! Twenty-four strips are need to complete each border. Unpick seam allowance every 24th strip yielding four border strips.

Option #2 (preferred)- This is a time-savings strip-piecing option. The order of piano key border colors are shown below.

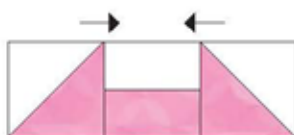

1. With **RST** piece W, H, K, P, N, H, X, AA, Z, T, H, Y, AA, and H strips together. Two 14 1/2" x LoFQ units are required.
2. Sub-cut units into 3 1/2" lengths, four from first unit and three from second unit.
3. Stitch sub-cuts units end to end to achieve one long unit.
4. This is where the "unpicking" comes in! Twenty-four strips are need to complete each border. Unpick seam allowance every 24th strip yielding four border strips.

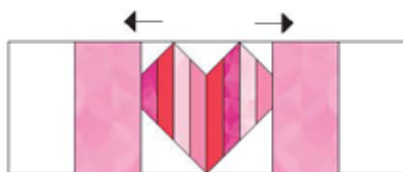

(14 - 1 1/2" wide piano key units)

PUTTING IT ALL TOGETHER

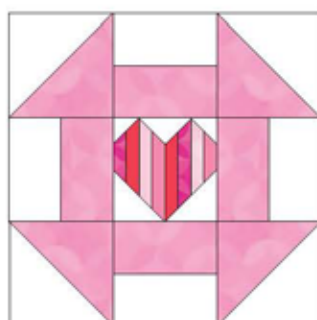

1. Sew a small **HST** unit to each side of churn dash strip unit. Press seams in direction of arrow. Repeat.

2. Sew a churn dash strip unit to each side of heart unit. Press seams in direction of arrow.

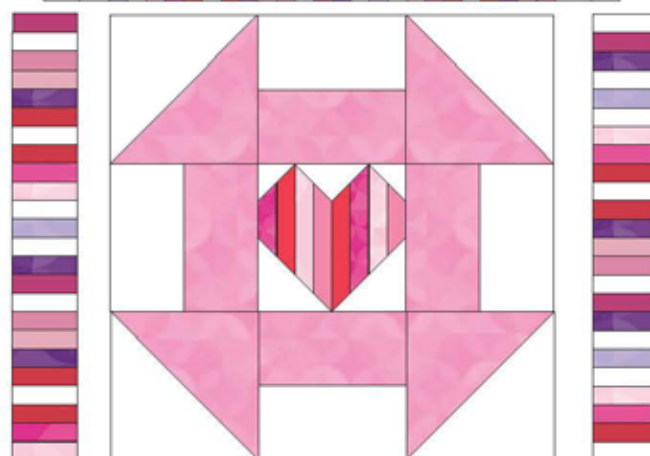

3. Sew unit created in Step 1, above, to top and bottom of heart unit.

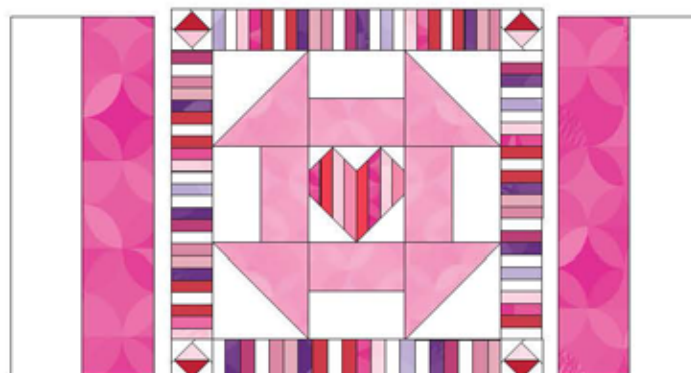

4. Sew one cornerstone block to each side of a top and a bottom piano key strip. Two strips are needed.

5. Sew a piano border to each side of unit created above. Color placement of diamond-in-a-square units are optional. Quilt picture shows Kaleidoscope Bubble Bath color to the inside.

6. Complete Large Churn Dash in same manner as Small Churn Dash, Steps 1 and 2 above.
7. Sew units to heart unit.

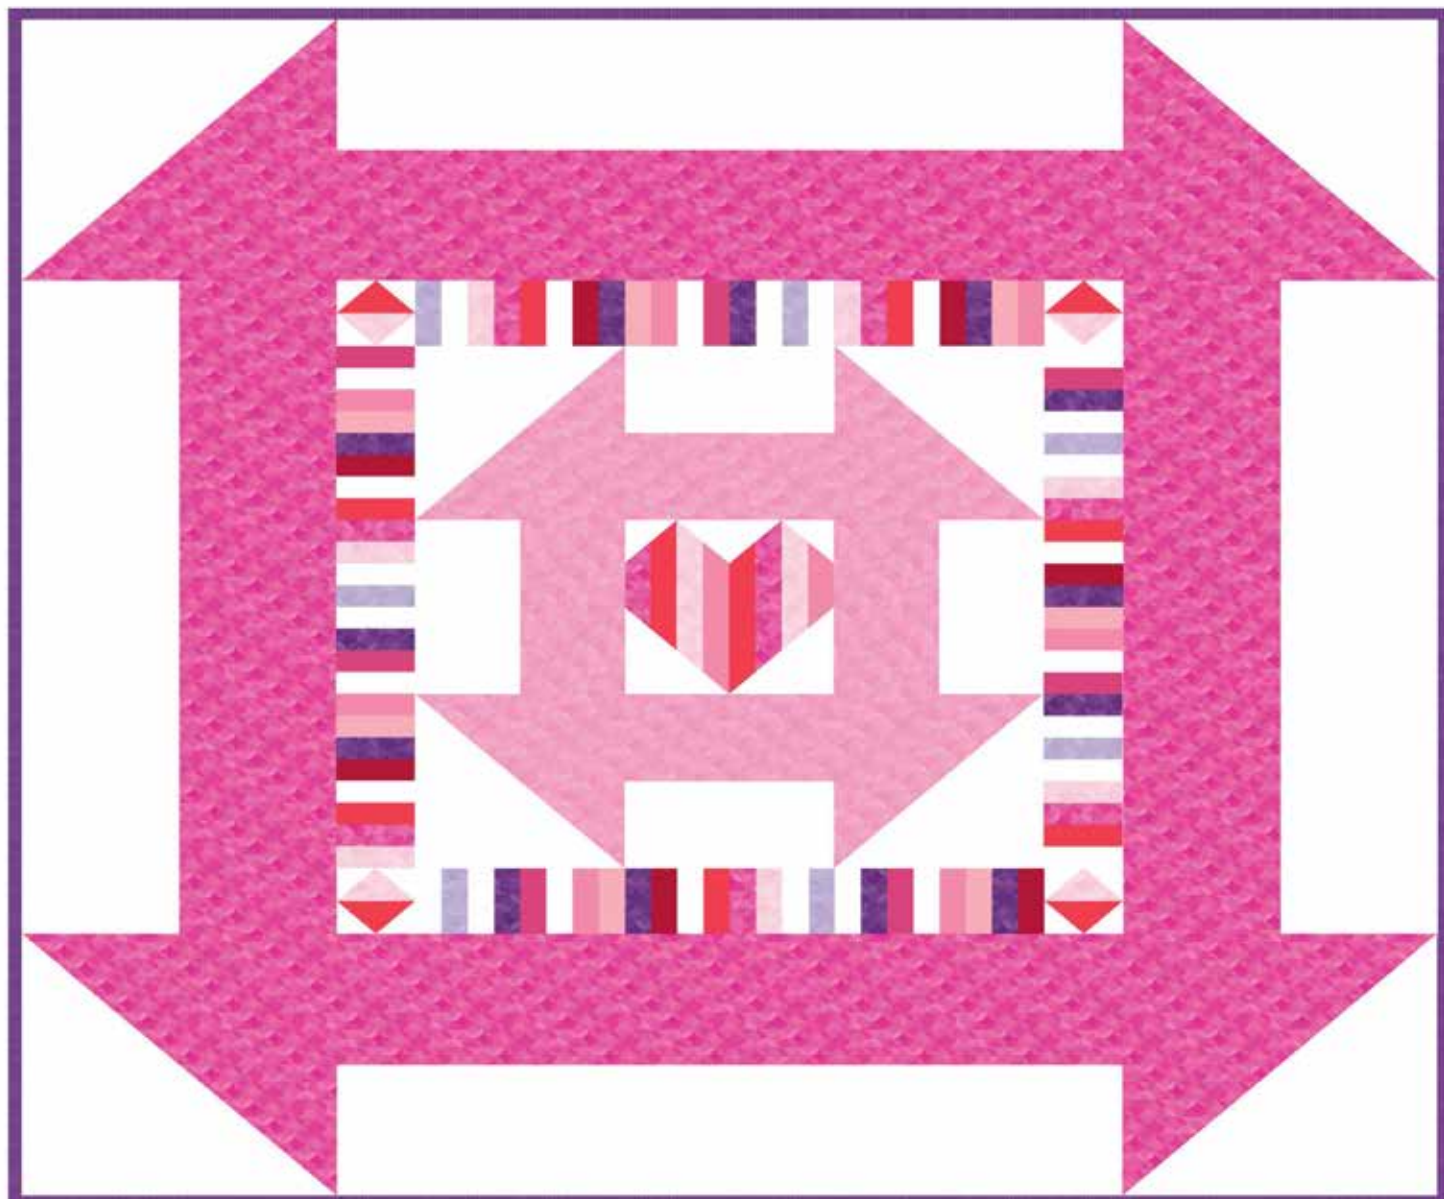

8. Quilt. Trim excess batting and backing.
9. Measure through center of quilt, both vertically and

horizontally. Add measurements together, multiply measurement by two and add 20" (seams/corners) This is total inches needed for binding.

10. Sew binding strips together end to end on diagonal. Trim seams to 1/4" seam allowance. Press seams to one side.

11. Fold binding in-half. Press. Sew binding around quilt, mitering corners. Stitch binding closed.
12. Enjoy!

Fabric Image	SKU	Yardage	Description	Quantity & Size		
	CR120-Space Shuttle White	1 1/3 Yds	Heart	A	4	2 1/2" x 2 1/2"
