QUILT ASSEMBLY
Refer to quilt photo for placement of fabrics.

Runway Blocks
Lay right sides of the half circle pieces on bumpy side of fusible interfacing. Stitch along the top of the half circles using a small stitch length to make a nice curve. Trim seam allowance and turn right side out. Refer to quilt photo for placement of half circle pieces. Use your favorite method of appliqué to attach the half circle pieces to all 4 sides of 12 blocks. (We used the interfacing to keep the darker fabric from showing through the cream shade.)

Quilt Center Assembly

Border 1
