Fruit Slice Block
These instructions are to make 1 block. Draw a diagonal line on the wrong side of a Riley white solid 3¼” square. With right sides together, place a Riley white solid 3¼” square on top of an assorted print 3¼” square. Sew a scant ¼” on each side of the drawn line. Cut on the drawn line. Press toward the assorted print fabric. This will create 2 half square triangles. Draw a diagonal line (this will go across the seam) on the back of 1 of the half square triangles. With right sides together and nesting the seams, place a half square triangle on top of the other half square triangle. Sew a scant ¼” on each side of the drawn line. Cut on the drawn line. Press. This will create 2 Quarter Square Triangles. Using a square ruler with a 45-degree line, find the center at 1¼” and square up the Quarter Square Triangle to 2½”. Repeat to create 4 Quarter Square Triangles.
