FEATURING GO TO THE SEA WITH HARRY & ALICE COLLECTION
BY AMANDA HERRING

ADMIRAL HARRY QUILT PATTERN Approximate Finished Size 69" x 81"

HELP ALONG THE WAY

- 🌀 Please read **ALL** instructions before beginning project.
- 🌀 Please check our website (www.rileyblakedesigns.com/pattern-updates) for any revisions before starting project.
- 🌀 This pattern requires a basic knowledge of quilting techniques and terminology.
- 🌀 Fabric quantities are for 43"/44" wide, 100% cotton fabrics.
- 🌀 Pattern measurements include 1/4" seam allowance. All seams are 1/4" unless otherwise noted.
- 🌀 Press seams to darkest fabric, unless otherwise noted.
- 🌀 Layout and look of your project may differ when using actual fabric.
- 🌀 Because seam allowances vary, measure through center of quilt before cutting border pieces. Sew border strips together end to end, when directed, to get length needed.

QUILTING TERMS

- RST = Right Sides Together
- WSoF = Wrong Side of Fabric
- FQ = Fat Quarter
- WoF = Width of Fabric
- LoF = Length of Fabric
- LoFQ = Length of Fat Quarter
- HST = Half Square Triangle
- ~ = Approximately

KIT INCLUDES fabrics from:

Go to the Sea with Harry & Alice Collection by Amanda Herring

- 1 Panel - P8478
- 1/4 Yard - C8470-Red
- 3/8 Yard - C8470-Cream
- 5/8 Yard - C8476-Blue
- 2/3 Yard - C8476-Cream
- 1/4 Yard - C8473-Blue
- 1/4 Yard - C8472-Red
- 3/8 Yard - C8474-Navy
- 1/4 Yard - C8475-Red
- 7/8 Yard - C8475-Cream
- 1/2 Yard - C8473-Navy

- 3/8 Yard - C8470-Blue
- 7/8 Yard - C8473-Red
- 1 7/8 Yard - C8477-Cream
- 1 Yard - C8471-Blue
- 5/8 Yard - C8476-Red

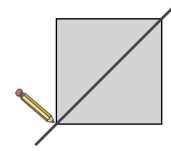

CUTTING REQUIREMENTS

See **Fabric & Cutting Requirements Table - Page 4 & 5** for complete breakdown of fabric and cutting requirements.

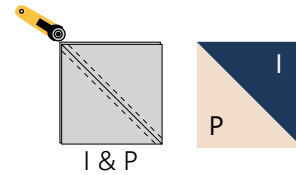

Identify fabric pieces, as shown, with alphabet-pins or sticky-notes when cutting for ease in piecing blocks.

PREPARING BLOCKS 4 & 5 HALF-SQUARE-TRIANGLES

1. Mark diagonal lines on back of all **N** and **P** squares.

2. With RST, place **I** and **P** squares together. Stitch 1/4" from marked line on both sides.
3. Cut on marked line.
4. Press to make two HST's. Create forty(40) HST's.
5. Square-up each block to measure 3" x 3" square. Label and set aside for Block 4.

6. Create twenty(20) HST's with squares **N** and **R** following same method as above. Square-up each block to measure 4" x 4" square. Label and set aside for Block 5.

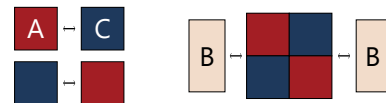

CREATING THE BLOCKS

The finished quilt consists of six(6) different pieced blocks, each block is repeated five(5) times.

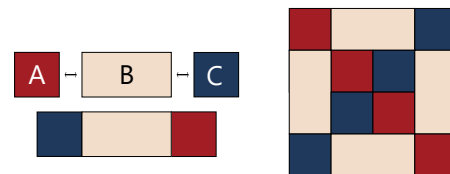

Square-up finished blocks to 10 1/2" x 10 1/2".

BLOCK 1

1. Sew squares **A** and **C** together to create a four-patch. Add fabric **B** to either side.

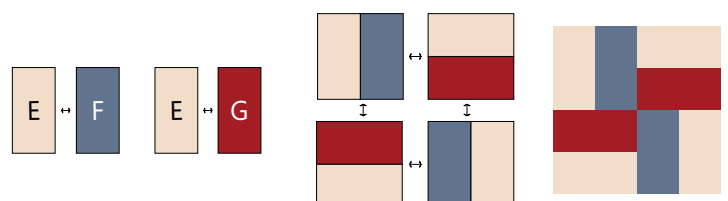

2. Sew pieces **A**, then **B**, then **C** together. Repeat (flip one(1) unit). Sew units to top and bottom of above unit to complete block. Repeat; five(5) blocks needed.

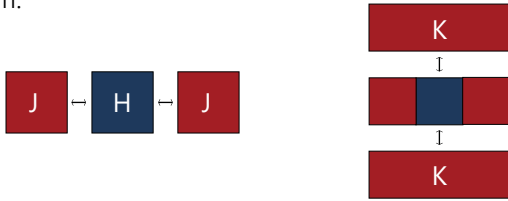

BLOCK 2

1. Sew two(2) pieces **E** to two(2) pieces **F**. Sew two(2) pieces **E** to two(2) pieces **G**.
2. Sew **E/F** unit vertically to horizontal **E/G** unit.
3. Sew **E/G** unit horizontally to **E/F** unit vertically.
4. Stitch units together to complete Block 2.

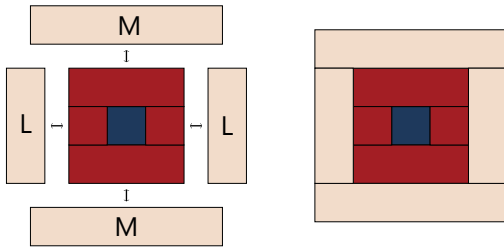

BLOCK 3

1. Sew piece **J** to either side of piece **H**. Sew piece **K** to top and bottom.

2. Sew piece **L** to either side of unit completed in Step #1. Sew piece **M** to top and bottom to complete Block 3.

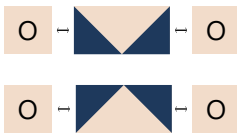

BLOCK 4

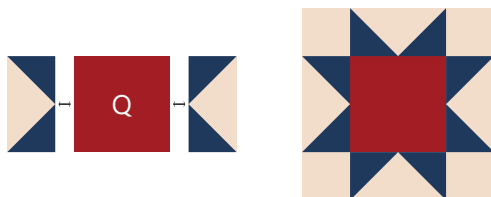

1. Gather **I/P** HST's completed in Step #5 under **Preparing Blocks 4 & 5 Half-Square-Triangles**. Sew HST's together in sets of two. Trim to 5 1/2" x 3".

2. Sew squares **O** to both sides of one HST. Flip a second HST and repeat process.

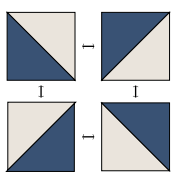

3. Sew remaining two HST on either side of square **Q**. Complete block by sewing above units to top and bottom.

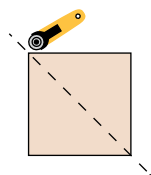

BLOCK 5

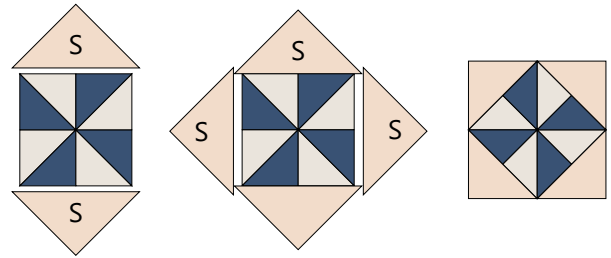

1. Gather **N/R** HST's completed in Step #6 under **Preparing Blocks 4 & 5 Half-Square-Triangles**. Stitch together to create a pinwheel. Trim to 7 1/2" x 7 1/2" square.

2. Cut square **S** in-half, on the diagonal, to create two triangles.

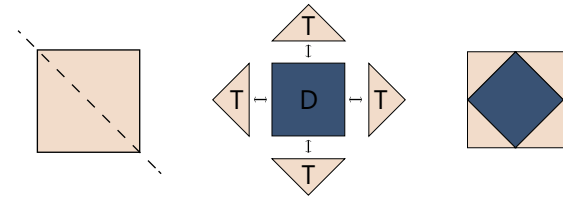

3. Sew a triangle to top and bottom of pinwheel and to each side to complete Block 5.

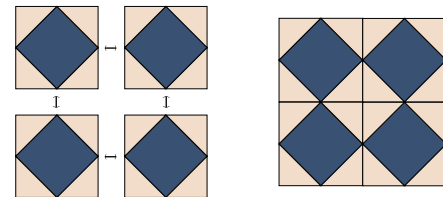

BLOCK 6

1. Cut squares **T** in-half, on the diagonal, creating two triangles. Sew a triangle to top and bottom of squares **D** and then to sides as in Block 5 - Step 3 above. Trim to 5 1/2" x 5 1/2" square. Repeat(x4).

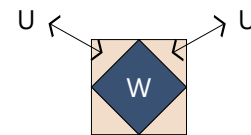

2. Sew units together to complete Block 6.

PUTTING IT ALL TOGETHER

See Quilt Layout Diagram - Page 6.

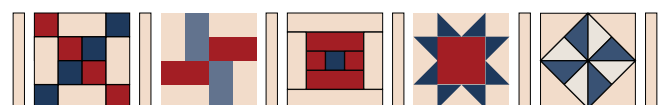

1. Cut square **U** in-half, on the diagonal. Stitch to square **W** in same manner as Block 6 - Step #1, to create cornerstones. Forty-two(42) cornerstones are needed. Square-up to 2 1/2" x 2 1/2" square.

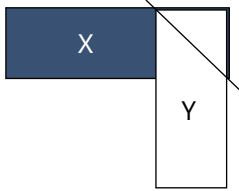

2. Create seven(7) rows beginning with a cornerstone, then sashing **V**, then cornerstone, sashing, etc., ending with a cornerstone.

3. Border each side of block with sashing piece **V**. Use Block Number Guide or Quilt Layout Diagram for block layout.

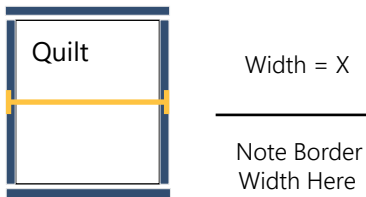

- Sew cornerstone rows and block rows together, beginning and ending with sashing/cornerstone.
- Stitch border fabrics **X** and **Y** together, end to end, on the diagonal. Trim seams to 1/4". Press.

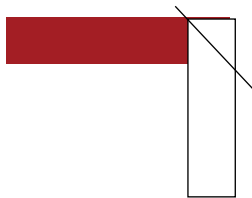

- To achieve a "square" quilt, measure through center of quilt, vertically, to get height of side borders. Note measurement in box below (should be about 74 1/2"). Cut two side borders to **your** measurement x 3 1/2". Sew borders to each side of quilt. Press.

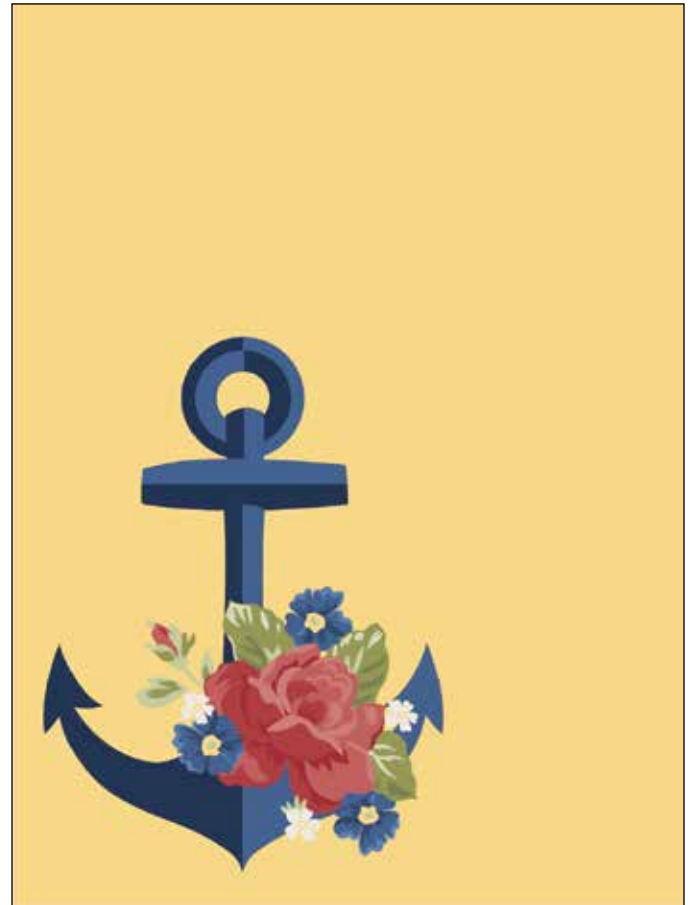

- Measure through center of quilt, horizontally, to get top and bottom borders width measurement; should be about 68 1/2". Note measurement below. Cut two borders **Y** to **your** measurement x 3 1/2". Sew borders to each side of quilt. Press.

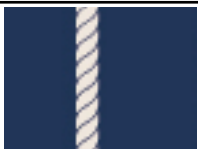

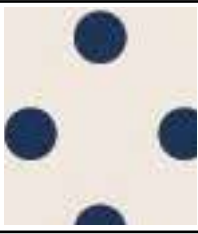

- Now is the time to appliqué anchor in place. Choose your favorite method (needle turn, fusible, satin stitch, etc.) to appliqué anchor in place. Use picture on pattern cover for placement.
- Sandwich batting between quilt top and quilt backing. Quilt. Trim excess batting and backing.
- Sew binding strips **Z** together end to end, on the diagonal. Trim seams to 1/4" seam allowance. Press seams to one side.

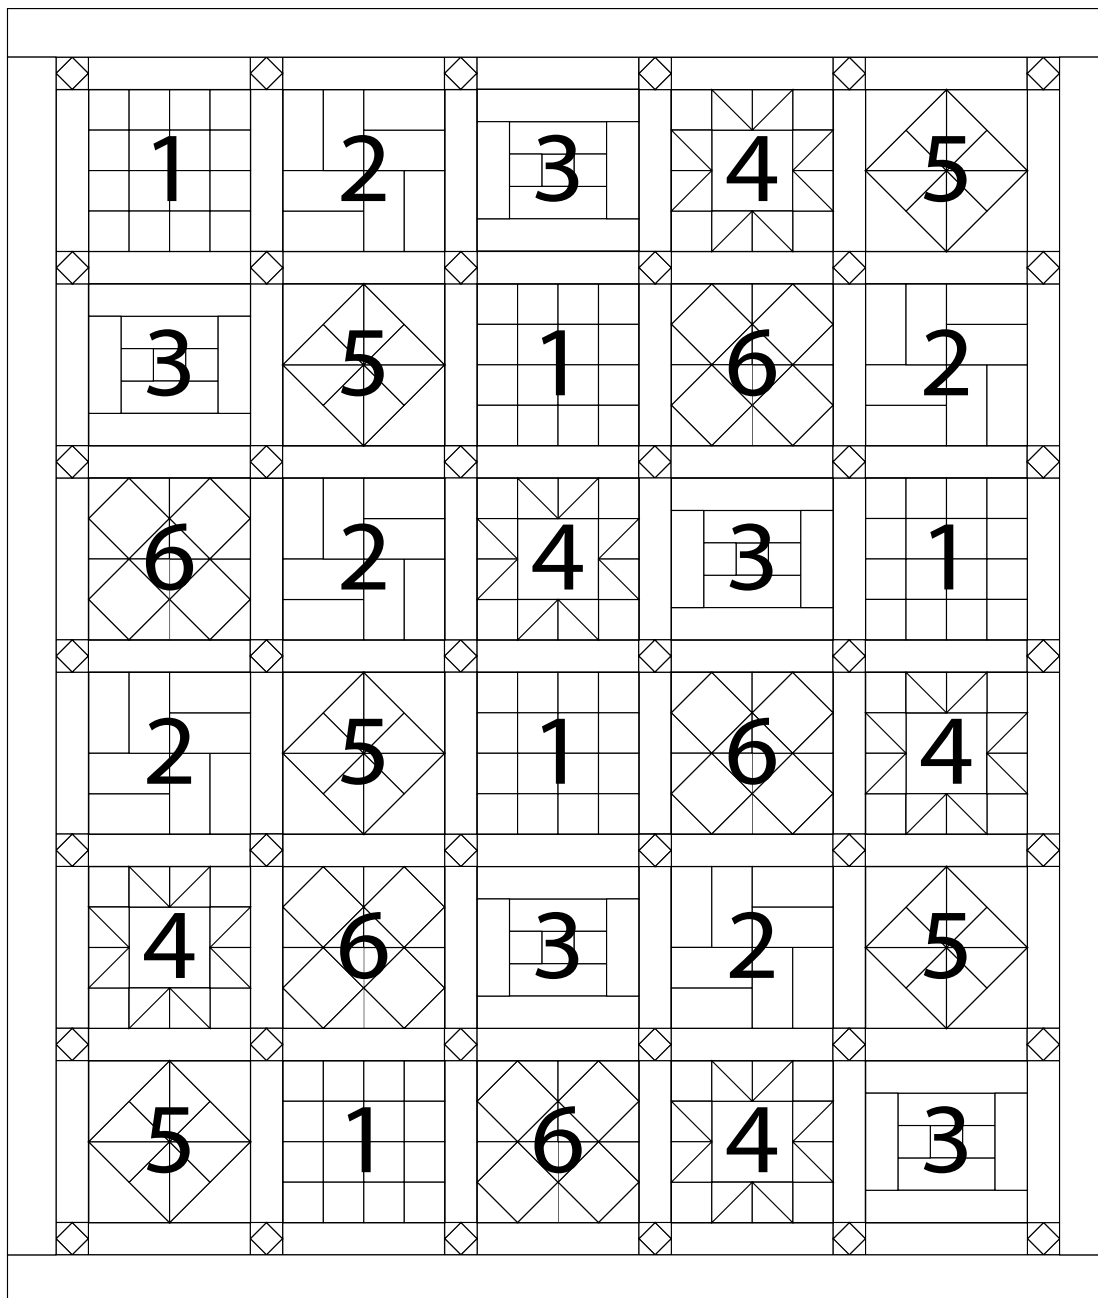

- Fold binding in-half with WSoF together. Press. Sew binding around quilt, mitering corners. Stitch binding closed.
- Enjoy!
