CUTTING REQUIREMENTS

Blocks
Cut 18 squares 10" x 10" from assorted prints.
Cut 48 half circle templates with seam allowance from white solid.

Corner Triangles
Cut 2 squares 8" x 8".
Cut each square once diagonally to make 4 triangles.

Setting Triangles
Cut 3 squares 14¾" x 14¾".
Cut each square twice diagonally to make 12 triangles. You will have 2 extra triangles.

Inner Border
Cut 5 strips 2½" x WOF.

Outer Border
Cut 6 strips 6½" x WOF.

QUILT ASSEMBLY
Refer to quilt photo for placement of fabrics.

Runway Blocks
Lay right sides of the half circle pieces on bumpy side of fusible interfacing. Stitch along the top of the half circles using a small stitch length to make a nice curve. Trim seam allowance and turn right side out. Refer to quilt photo for placement of half circle pieces. Use your favorite method of appliqué to attach the half circle pieces to all 4 sides of 12 blocks. (We used the interfacing to keep the darker fabric from showing through the white solid.)

Quilt Center Assembly
See quilt photo for block and setting triangle placement. Sew rows together on the diagonal to complete the center of the quilt. Add corner triangles. Before adding borders square up quilt center leaving ¼" seam allowance on all sides.

Borders
Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew side borders first.

Inner Border
Side borders should be 54¼". Top and bottom borders should be 44¾".

Outer Border
Side borders should be 58¼". Top and bottom borders should be 56¾".

Finish quilt by layering the quilt top, batting, and back. Bind with your favorite fabric. Have fun with your colors and enjoy the journey of making your quilt.
