# SHINE TOGETHER

Riley Blake Designs is hosting a Shine Together Quilt Along beginning January 2024. During the Quilt Along, various Hush Hush 3 Riley Blake Designs Designers will individually share a new and colorful 6" quilt block.

These brilliant new blocks are alternatives for the center of the Star Blocks.

If you choose to make the Shine Together Quilt in its entirety as shown on the front cover, please cut all fabrics **as listed** in the cutting instructions. If you choose to swap out the 6" insert blocks with Designer 6" blocks, please cut all pieces listed in the cutting instructions **except for** the pieces noted in **Blue**.

## FINISHED QUILT SIZE 80" x 80"

Please read all instructions before beginning the project. Yardage calculated using a 42" usable width of fabric. We do not recommend pre-washing or pre-starching the fabric in this kit.

## ASSEMBLY INSTRUCTIONS

### SEWING TECHNIQUES

Measurements include 1/4" seam allowance. Sew with right sides together unless stated otherwise. Refer to the quilt photo for placement of the prints. Press seams as noted in each step for best results. Dimensions listed in steps are unfinished sizes unless stated otherwise.

Some angled seams are constructed using the Stitch and Flip Method (SNF), the Stitch and Flip Flying Geese Method (FG), the 1-At-A-Time Half Square Triangle Method (HST), and the Quarter Square Triangle Method (QST). These methods are described below and referenced throughout the pattern.

### STITCH AND FLIP METHOD (SNF)

Place (2) pieces RST, matching raw edges in the corner to be replaced. Draw a diagonal line on the wrong side of the smaller piece across the corner. Stitch on the drawn line. Trim the seam allowance above the sewn line to 1/4". Flip the small piece away from the bottom piece and press, replacing the corner. The size of the larger, original piece does not change.

### STITCH AND FLIP FLYING GEESE METHOD (FG)

Draw a diagonal line, corner to corner, on the wrong side of (2) squares. Place (1) square in the right corner of (1) rectangle, RST, matching raw edges. Stitch on the drawn line. Trim the seam allowance above the sewn line to 1/4". Flip the small piece away from the bottom piece and press. Repeat with the second square. The size of the original rectangle does not change.

### 1-AT-A-TIME HALF SQUARE TRIANGLE METHOD (HST)

Place (2) squares RST. Draw a diagonal line on the wrong side of one square. Sew on the drawn line. Cut 1/4" from the seam. Press toward the darker fabric. Trim HST to desired size.

### QUARTER SQUARE TRIANGLE METHOD (QST)

Place (2) triangles RST. Sew together along a short edge. Make (2) double triangles. Press the seams in the same direction on each double triangle. Place the (2) double triangles together RST, with different colors opposite each other. Match the center seams, then sew along the long edge. Press. Trim QST to desired size.

### STAR BLOCK ASSEMBLY

Arrange (1) Center Unit, (4) FG, and (4) B squares in (3) rows of (3). Consult the following section for the exact fabric pairings and center units needed for each specific block.

Sew the units together to form rows. Press the seams away from the FG. Nest the seams and sew the rows together to form the blocks.

# SHINE TOGETHER
