QUILT ASSEMBLY
Refer to quilt photo for placement of fabrics and blocks.

Flying Geese Block
Refer to quilt photo as each block is a different combination of fabrics. Draw a line from corner to corner on the wrong side of the 84 clean white solid 5” squares and the 12 gray solid 5” squares. Place a clean white solid 5” square or gray solid 5” square on top of an assorted print 5” x 9½” rectangle or gray solid 5” x 9½” rectangle and sew on the line. Leave a ¼” seam allowance and trim excess. Press. Repeat on the other side of the rectangle. Repeat to create 48 Flying Geese Blocks.

Quilt Center Assembly
Refer to quilt photo for placement of blocks. Lay out blocks in 12 rows of 4 blocks. Sew rows together to complete the center of the quilt.

Borders
Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.

Border 1
Side borders should be 54½”. Top and bottom borders should be 46½”.

Finish quilt by layering the quilt top, batting, and back. Bind with your favorite Riley Blake fabric from the Mod Studio Collection. Have fun with your colors and enjoy the journey of making your quilt.
