### Small Flying Geese

Draw a diagonal line on the wrong side of the D squares.

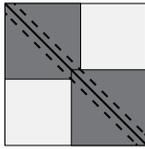

Select 4 D squares with the same print and 1 F square.

# MODERN FARMHOUSE

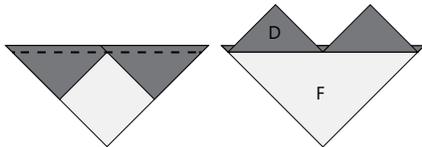

Place a D square in the upper left corner of the F square, right sides together (RST), with the drawn line pointing towards the center of the F square.

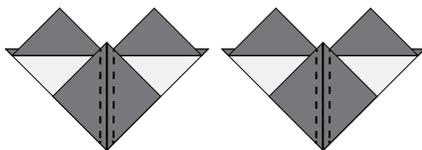

Repeat to place another D square in the lower right corner. The D squares will overlap. Sew  $\frac{1}{4}$ " on each side of the drawn lines. Make 4 black and 1 coral.

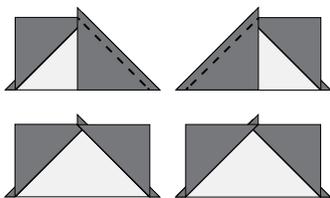

Cut on drawn line. Press the D squares away from the F square.

Place a D square on the remaining corners of the F squares. Sew  $\frac{1}{4}$ " on each side of the drawn lines.

Cut on the drawn lines and press open. This process makes 4 small flying geese.

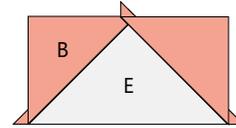

Repeat with the remaining D and F squares to make 20 small flying geese. Make 16 black and 4 coral.

## Large Flying Geese

## Borders

Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.

### Border 1

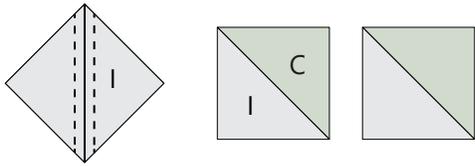

Side borders should be 53". Top and bottom borders should be 55".

### Border 2

Sew the six 5" border strips together. Cut 4 border strips 5" x 55". Sew 2 border strips to the sides of the quilt.

Draw a diagonal line on the wrong side of the I squares.

Place a C and I square RST. Sew  $\frac{1}{4}$ " on each side of the drawn line. Cut on the drawn line. Press open to make 2 half square triangles (HST). Repeat to make 4 HST. Square up to 5".

Sew the HST to the ends of the remaining border strips and sew to the top and bottom of the quilt.

Finish quilt by layering the quilt top, batting, and back. Bind with the black mini floral from the Modern Farmhouse collection. Have fun with your colors and enjoy the journey of making your quilt.
