DOLL SHOP by J Wecker Frisch

DOLL SHOP INSTRUCTIONS

Quilt Top Size 75 1/2" x 75 1/2"

Please read **ALL** instructions before beginning project. Because seam allowances vary, measure through center of quilt both vertically and horizontally before cutting border pieces.

Please check our website www.rileyblakedesigns.com for any revisions before starting project. This pattern requires a basic knowledge of quilting techniques and terminology. Quilt/block diagrams portrayed are virtual images. Layout and look of your project may differ when using actual fabric.

HELP ALONG THE WAY

Fabric quantities are for 43"/44" wide, 100% cotton fabrics.

All seams are 1/4" unless otherwise noted.

RST = Right-Sides-Together

WSoF = Wrong Side of Fabric

FQ = Fat Quarter

LoFQ = Length of Fat Quarter

HST = Half Square Triangle

Prior to cutting any of fabrics, "Square-up" yardage by cutting a straight edge along one raw edge, this will result in more accurate strip and patchwork cutting/piecing.

Identify fabric cuts (as shown on **Fabric and Cutting Requirements Table-Page 4**) with alphabet-pins or sticky-notes, when cutting for ease in placement. Be sure and read **"CUTTING NOTES"** which describes some cutting requirements.

Press seams to darkest side, unless otherwise noted.

QUILT FABRIC REQUIREMENTS

1 - P7566- Paperdoll Main Panel

1 - P7566- Paperdoll Patch

1/2 Yard - C7564 - Paperdoll Polka Button Black

1/4 Yard - C 7561 - Paperdoll Tape Gray

1/4 Yard - C 7561 - Paperdoll Tape Red

1/3 Yard - C7568 - Paperdoll Clothes Yellow

1 1/2 Yards - C7568 - Paperdoll Clothes Off White

2/3 Yard - C7564 - Paperdoll Polka Button Green

1/6 Yard - C7565 - Paperdoll Pin Top Blue

7/8 Yard - C7565 - Paperdoll Pin Top Red (includes Binding)

1 /6 Yard - C7565 - Paperdoll Pin Top Pink

1 Yard - C 7561 - Paperdoll Text Blue

7/8 Yard - C7565 - Paperdoll Pin Top Gray

1/4 Yard - C200-19 Riley Blake Cotton Shade Asphalt (Optional)

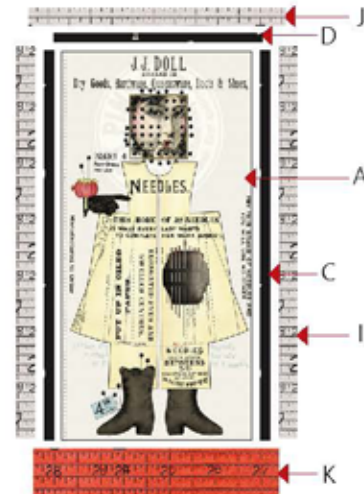

1 Yard Fusible Webbing

CUTTING REQUIREMENTS

See **Fabric and Cutting Requirements Table - Page 4** for a complete breakdown of fabric and cutting requirements.

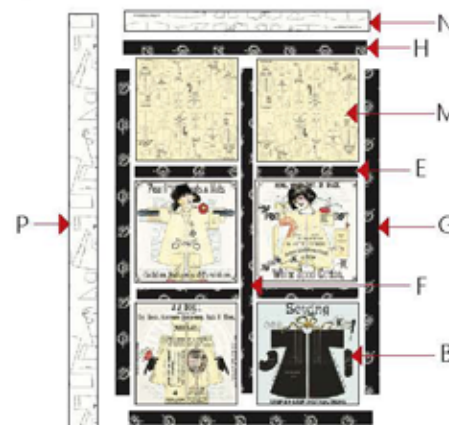

FABRIC, BLOCK and UNIT PREP:

- 1. Door unit prep:** Trim door Panel A to 24" x 42 3/4". Sew C strips along Panel sides A and D strips on top of door.
- Sew I accent strips to sides of door and J strip to top.
- Sew K accent strip to bottom of door unit. Set aside.

Unit 1

- 4. Window unit prep:** Sew window panes M to window horizontal strips E.
- From window Panel B, cut four window panes. Sew two panes to bottom of unit made in Step 4. Again, add second set of E strips to bottom of panes. Add two additional window Panel B panes.
- Sew vertical strip F and horizontal strips G to window unit.
- Sew strips H to top and bottom of window unit.
- Sew strips N and O to top and bottom of window frame.
- Add strip P to left side of window unit. Set unit aside.

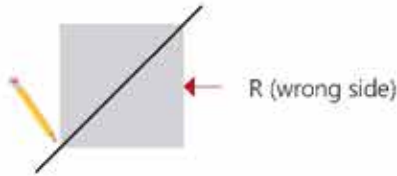

Unit 2

DOLL SHOP by J Wecker Frisch

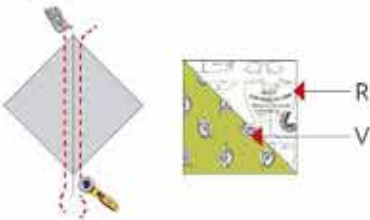

10. **Trees and grass unit prep:** Sew a square Q in-between squares AA, AB, and AC to create trees.

11. Using a pencil, draw a faint line across diagonal, on **WSoF**, on squares R.

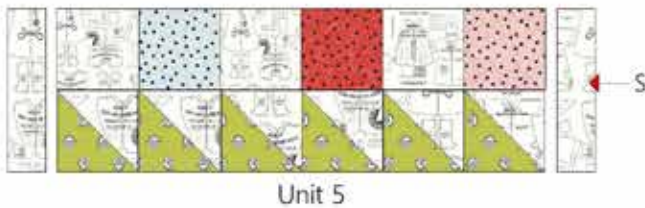

12. With **RST** align squares R and V. Stitch 1/4" away from drawn line on both sides. Cut along drawn line to create two **HSTs**. Press seams to darkest side. Trim block to 4 1/4". Repeat. Six **HSTs** are needed.

13. Sew **HSTs** together in one row.

14. Sew Unit 3 to Unit 4. Add rectangles S to each side.

15. Sew Unit 5 to bottom of Unit 2 (completed in Step 10 above).

16. **Roof and sky unit prep:** Create **HSTs**, as in Step 11 and 12 above, with squares AD and AH. Trim to 13 1/2" x 13 1/2" square. Two **HSTs** are needed.

17. Sew AI strips together and cut to 13 1/2" x 50".

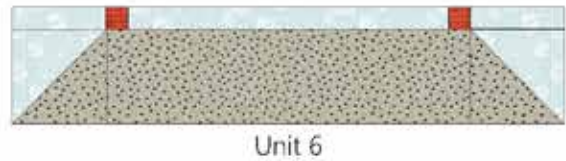

18. Sew **HSTs** created in Step 16 above to each end of rectangle AI.

19. Sew chimney squares L to rectangle AE. Add rectangles AF to each side of chimney (L).

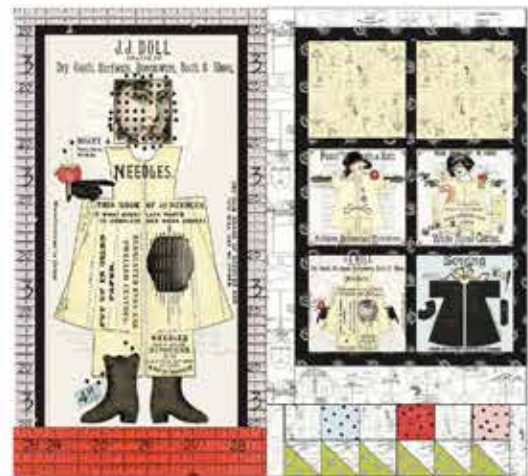

20. Sew roof/sky units together to create Unit 6.

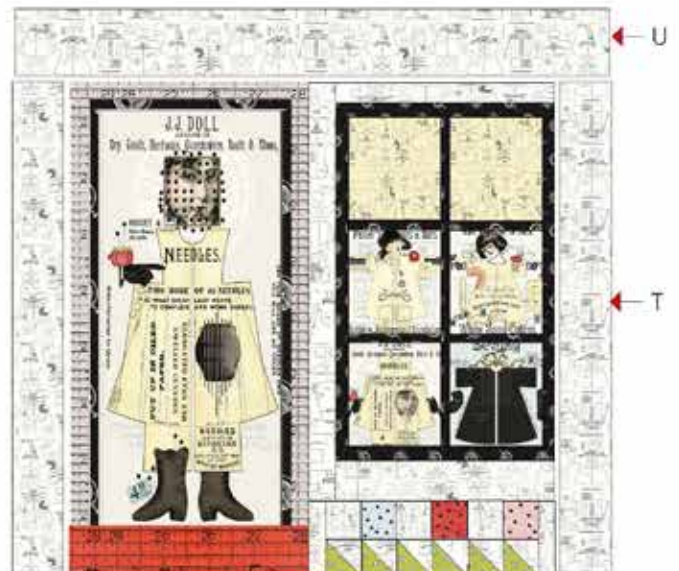

PUTTING IT ALL TOGETHER:

1. Sew Unit 1 and Unit 2 together.

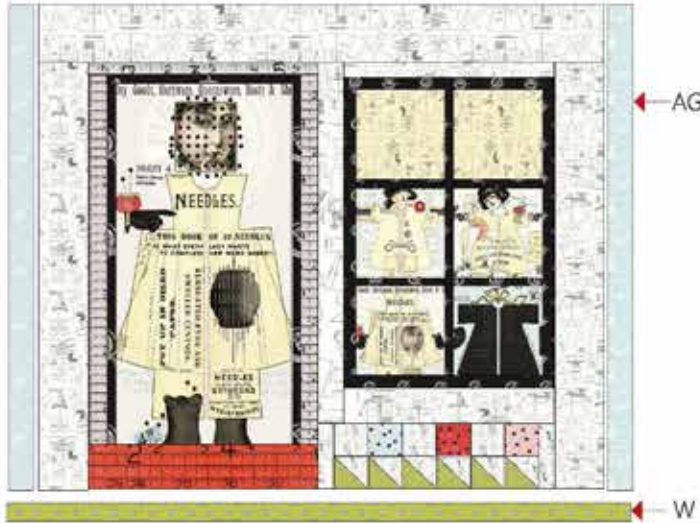

2. Sew strip T to each side of door/window unit.
3. Sew strip U to top of door/window unit.

DOLL SHOP by J Wecker Frisch

- Sew sky strips AG to sides of shop.
- Sew strips W (grass) together and sub-cut to 3" x 80". Sew strip to bottom of shop.

- Sandwich batting between quilt top and quilt backing. Quilt. Trim excess batting and backing.
- Sew binding strips AK together end to end on diagonal. Trim seams to 1/4" seam allowance. Press seams to one side.

- Fold binding in-half. Press.
- Sew binding around quilt, mitering corners.
- Stitch binding closed.
- All done...Let's play dolls!

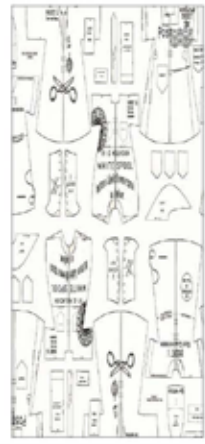

- Sew Unit 6 (roof) to top of shop.
- Using your favorite appliqué method (either needle turn or machine), appliqué topiary trees using templates X, Y, and Z to sides of shop.

NOTE: If using needle turn method, add 1/4" around all sides of template for turning. The following instructions are for machine appliqué.

Please read fusible webbing instructions, prior to using.

- Trace appliqué template shape onto grid side of fusible webbing. Optional: use "window-method" to reduce bulk on quilt top by cutting out *inside* of shape about 1/4" to *inside* of traced line. This cut can be a rough cut, does not need to be exact.
 - Cut out shape, roughly 1/2" inch from *outside* of traced line. Peel off plain paper.
 - Place fusible webbing shape to wrong side of fabric (if using window-method, make sure shape is uniform). Fuse webbing to fabric as described in fusible webbing instructions.
 - Cut out appliqué shapes along lines. This cut needs to be exact.
 - Peel off grid paper and position shape on quilt top with webbing side down. Fuse into place.
 - Use thread of choice and stitch around appliqué shape using a tight zigzag or a blanket stitch. Any stitch will work well as long as it is consistent.
- Add "DOLL SHOP" lettering (AJ) to roof, as described above, if desired.

Fabric Image	SKU	Yardage	Description	Quantity & Size		
	P7560- Paperdoll Panel Main	1 Panel	Door	A	1	24" x 42 3/4"

	C7565 - Paperdoll Pin Top Red	*	Binding	AK	9	2 1/2" x WoF
	Fusible Webbing	1 Yard	Topiary Trees/Letters		1EA	Cut to Template

CUTTING NOTES:

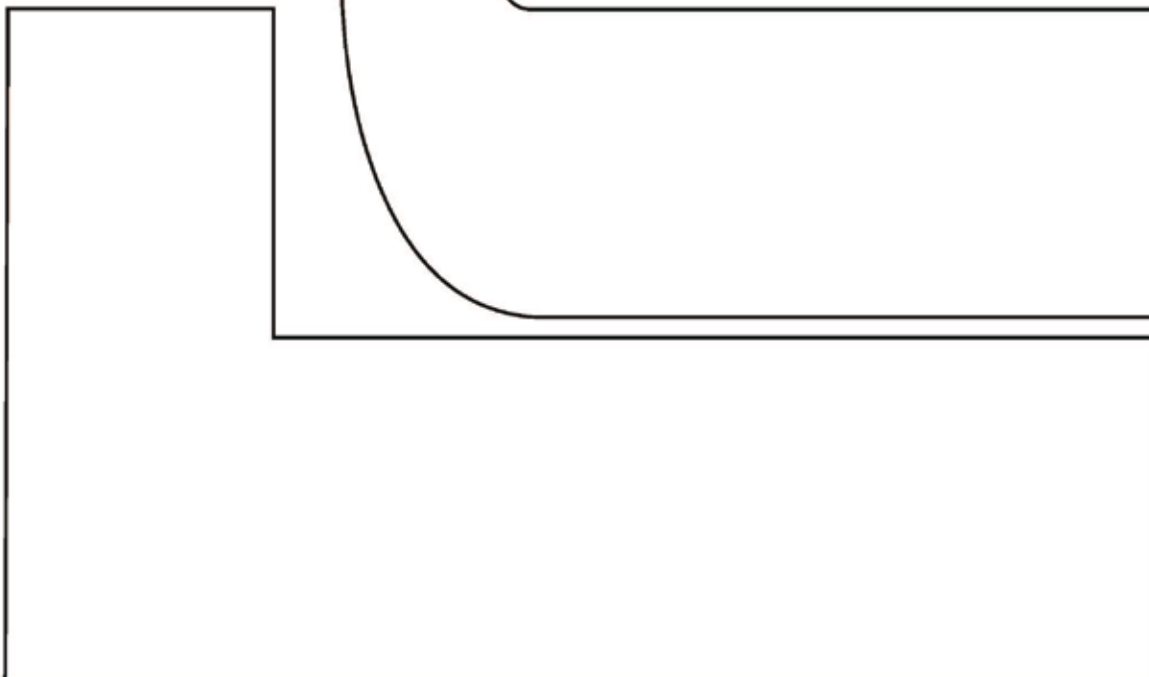

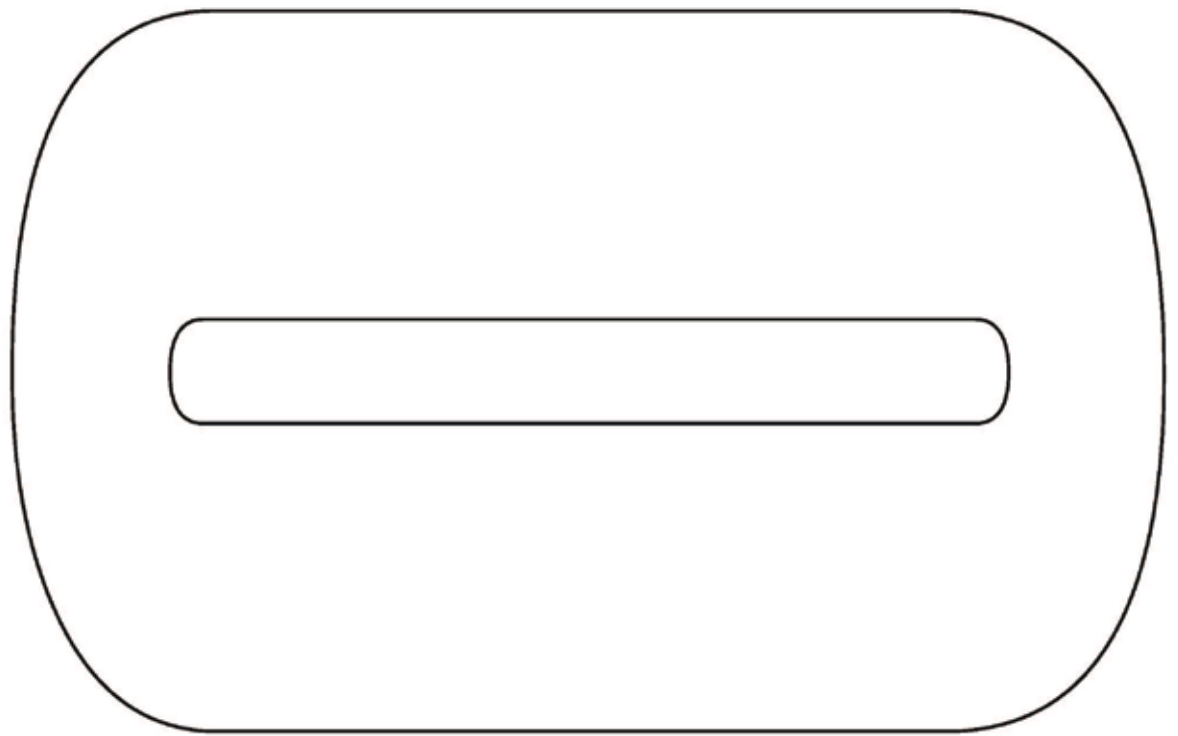

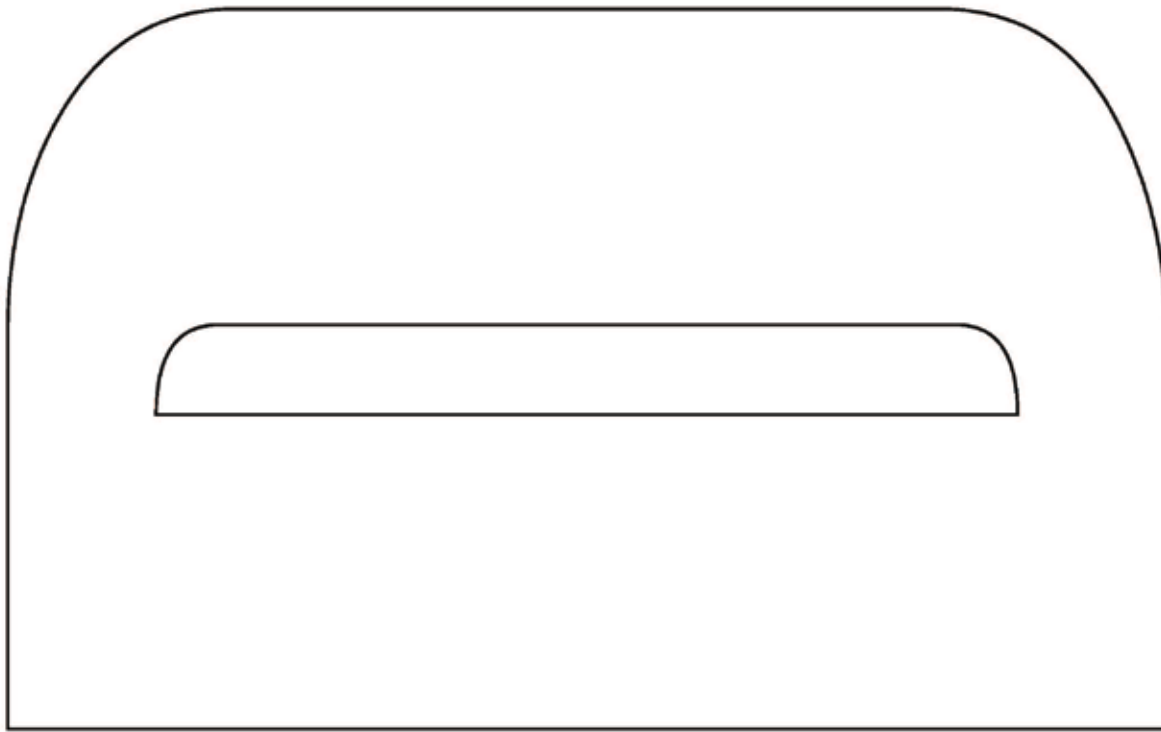

- Because several strips (C, I, P, T, U, W, AE, AG, and AI) are longer than 40", strips will need to be cut, sewn together and then sub-cut.
- Several longer strips are the same width as shorter strips (less than 40"). Utilize "ends" of shorter strips to finish-off length of strip needed.
- When cutting Paperdoll Text Blue (sky fabric) cut one 14" strip first. Sub-cut strip into one 14" x 14" square (AD-HST). Utilize the remaining strip for other sky fabric pieces.
- When cutting Paperdoll Pin Top Gray (roof fabric), cut one 14" strip first. Sub-cut strip into one 14" x 14" square (AH-HST). Trim the remaining strip to 13 1/2" to complete roof center (AI).

DOLL SHOP by J Wecker Frisch

Images are reversed and ready to trace for machine appliqué.

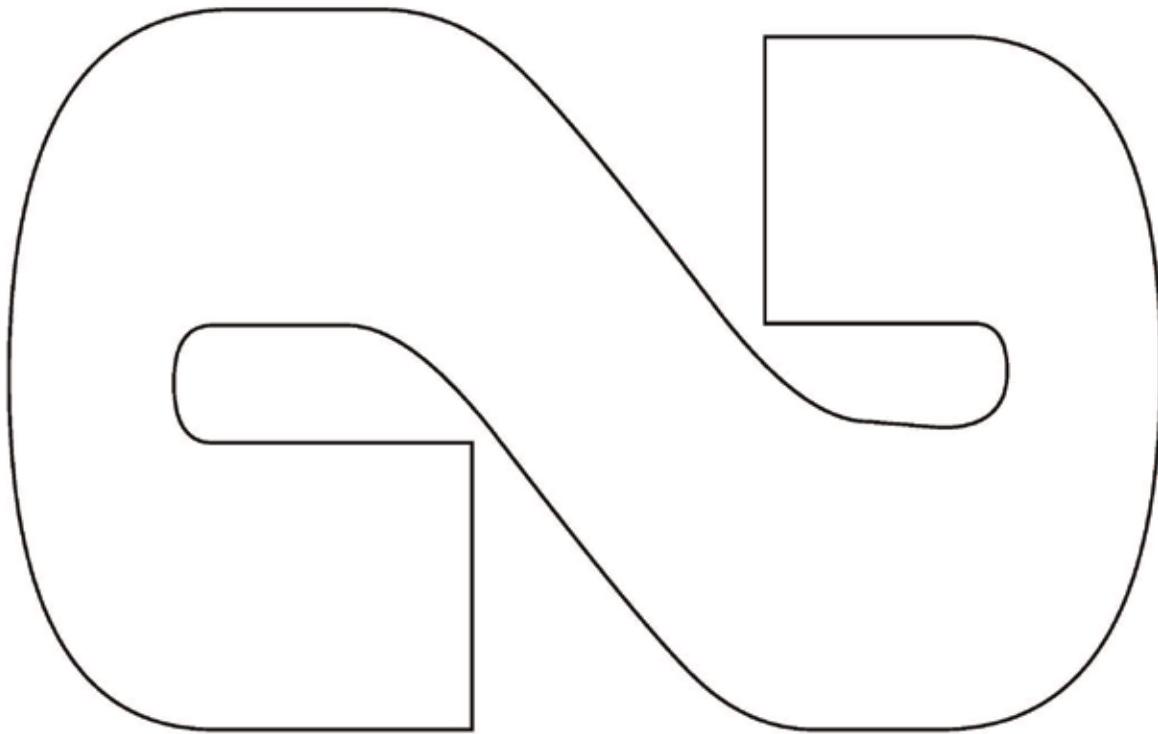

If using needle turn appliqué method, reverse patterns and add 1/4" to all sides.
