QUILT ASSEMBLY

Refer to quilt photo for placement of fabrics and blocks.

Banner Block
These instructions are to make 1 block. The clean white solid triangles are intentionally cut larger in order to square up the block. Sew a clean white solid triangle to a long side of the banner triangle. Make sure the clean white solid triangle extends at least ¾” beyond the top point. Press. Sew a clean white solid triangle to the remaining long side of the banner triangle. Press. Square up the block to 7” x 9”. Repeat to create 20 Banner Blocks.

Quilt Center Assembly
Refer to quilt photo for placement of Banner Blocks. Lay out 5 Banner Blocks to create a row. Repeat to create 4 rows of Banner Blocks. Cut the sashing strips to match the length of the rows. The rows should measure 33”. Sew the rows and sashing strips together to complete the center of the quilt.

Borders
Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.

Border 1
Side borders should be 42½”. Top and bottom borders should be 37”.

Border 2
Side borders should be 46½”. Top and bottom borders should be 49”.
