## QUILT ASSEMBLY

Refer to the cutting requirements list, quilt photo and layout diagram for the placement of prints. Press seam allowances as shown in the diagrams unless otherwise stated.

### Blocks

Each quilt block requires (1) each of A, B, C, D, and E. Except for pieces B and C which are white fabrics, all other pieces (A, D, and E) are of the same colorway.

Sew pieces in alphabetical order as shown. The last seam is pressed open to reduce bulk when blocks are sewn in rows.

Make (36) blocks in the quantities and colorways listed:

- (1) each in Moss & Brick
- (2) each in Olive & Riley Red
- (3) each in Peacock & Cayenne
- (4) each in Powder & Berry
- (5) each in Peaches 'n Cream & Sunshine
- (6) each in Honey

Follow the color schematic shown and assemble blocks into (6) rows of (6) blocks each. Sew the rows together to complete the quilt.

### Finishing

Finish quilt by layering the quilt top, batting, and backing. Bind with 2 ½" x WOF strips.

Have fun and enjoy the journey of making your quilt.

Blocks measure 8 ½" x 8 ½" unfinished.
