**Contrary Star Block**

These instructions are to make 1 block. Refer to the Contrary Star Block diagram for piece placement. Trace a pencil line from corner to corner on the wrong side of a green gingham 2½” square. Place the square in the corner of one of the 2½” x 4½” white medallions rectangles and sew on the pencil line. Leave a ¼” seam allowance and trim excess. Press. Repeat on the other side of the rectangle. This will make 1 flying geese unit. Repeat to make 4 flying geese units. Sew a flying geese unit to each side of a white circle or berries 4½” square. Sew a white medallion 2½” square to each side of the 2 remaining flying geese units. Sew the 3 rows together to complete the Contrary Star Block. Repeat to make a total of 13 blocks.
