GENERAL INSTRUCTIONS

Please check *www.rileyblakedesigns.com/pattern-updates* or scan the QR Code for any updates before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt diagram portrayed is a virtual image. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

Always verify your panel size before beginning. If your panel measurements differ from those given in the pattern, trim to the desired size or use coping strips to alter the size of your panel. If coping strips are needed, add oversized, coordinating strips of fabric to the necessary edges of the panel, then trim to the size specified in the pattern.

WOF = Width of Fabric
LOF = Length of Fabric
RST = Right Sides Together

**Note: If the panel motif does not reach the edge of the required cut, add coping strips first and then trim to the required size.*

Cut (4) 3" × **LOF*** strips. Subcut:
(2) 3" × 47 ½" strips. Label as A.
