THE MAKER WALL PANEL QUILTS

FINISHED QUILT SIZES 28 ½" × 58 ½"

Please read all instructions before beginning this project.
Yardage calculated using a 42" usable width of fabric.
Pattern designed by J. Wecker Frisch of Great Joy Studio.

GENERAL INSTRUCTIONS

Please check *www.rileyblakedesigns.com/pattern-updates* or scan the QR Code for any updates before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

Always verify your panel size before beginning. If your panel measurements differ from those given in the pattern, trim to the desired size or use coping strips to alter the size of your panel. If coping strips are needed, add oversized, coordinating strips of fabric to the necessary edges of the panel, then trim to the size specified in the pattern.

WOF = Width of Fabric
RST = Right Sides Together
