## QUILT ASSEMBLY

Refer to quilt photo for placement of fabrics.

### Summer Star Block

These instructions are to make 1 block. Refer to quilt photo as each block is a different combination of fabrics. Draw a line from corner to corner on the wrong side of 8 print 3½" squares. Place a 3½" square on top of a snow white shade 3½" x 6½" rectangle or a print 3½" x 6½" rectangle and sew on the line. Leave a ¼" seam allowance and trim excess. Press. Repeat on the other side. This will make 1 Flying Geese Unit. Repeat to make 4 Flying Geese Units.

Sew a Flying Geese Unit to the left and right side of a print 6½" square. Sew a snow white shade 3½" square to each side of the 2 remaining Flying Geese Units. Sew the 3 rows together to complete the Summer Star Block. Repeat to make 15 Summer Star Blocks.

### Border

Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.
