SEWING TECHNIQUES

Sew all seams RST and with a 1/4" seam allowance unless stated otherwise. Refer to the Quilt Layout Diagram for placement of the fabrics. Press seams as desired unless stated otherwise. Dimensions listed in steps are unfinished sizes.

BLOCK ASSEMBLY

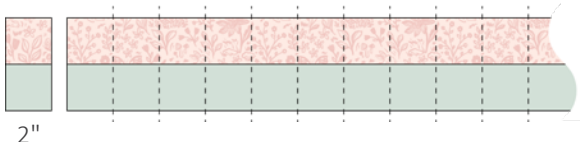

1. Sew (1) **D**-strip and (1) **E**-strip together as shown below to make (1) strip set. Repeat to make (5) total strip sets. Cut the strip sets into (104) 2"-wide D/E segments.

Make (5)

3 1/2" x 42"

Cut (104)

2. Repeat Step 1 to make the number of segments shown below, paying close attention to the order of the strips.

Cut (40) 2"-wide segments	Cut (42) 1 1/2"-wide segments	Cut (42) 1 3/4"-wide segments	Cut (42) 1 3/4"-wide segments

3. Sew (2) D/E segments together as shown below to make (1) D/E Four-Patch Unit. Repeat to make (52) total units.

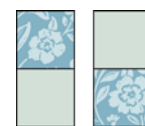

Make (52)

3 1/2" x 3 1/2"

4. Sew (2) E/Q segments together as shown below to make (1) E/Q Four-Patch Unit. Repeat to make (20) total units.

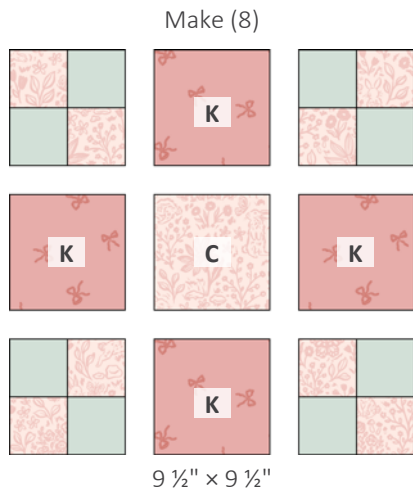

Make (20)

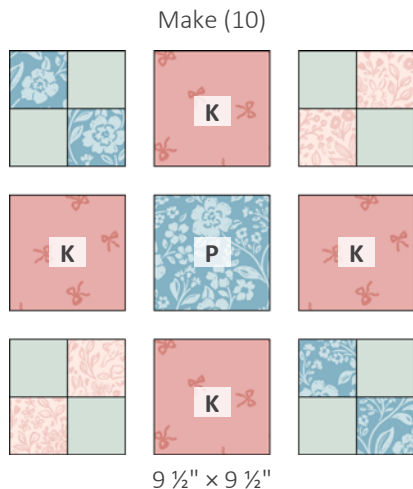

3 1/2" x 3 1/2"

5. Arrange (4) D/E Four-Patch Units, (4) **K**-squares, and (1) **C**-square as shown below, paying careful attention to the orientation of the units. Sew the units and squares together into rows. Next, sew the rows together to make (1) Block 1. Repeat to make (8) total blocks.

6. Arrange (2) E/Q Four-Patch Units, (4) **K**-squares, (2) D/E Four-Patch Units, and (1) **P**-square as shown below, paying careful attention to the orientation of the units. Sew the units and squares together into rows. Next, sew the rows together to make (1) Block 2. Repeat to make (10) total blocks.

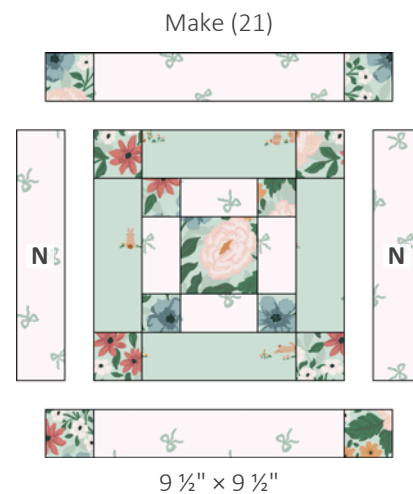

7. Sew (1) **O**-rectangle to each side of (1) **H**-square as shown below. Next, sew (1) J/M segment to the top and bottom. Repeat to make (21) total units.

8. Sew (1) **G**-rectangle to each side of (1) Step 7 unit as shown below. Next, sew (1) F/I segment to the top and bottom. Repeat to make (21) total units.

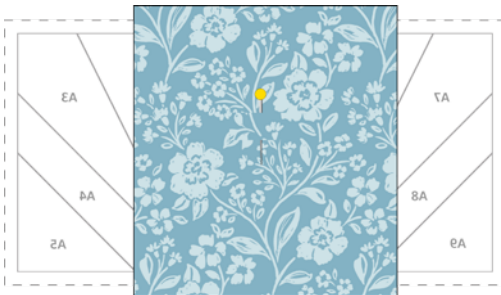

9. Sew (1) **N**-rectangle to each side of (1) Step 8 unit as shown below. Next, sew (1) I/L segment to the top and bottom to make (1) Block 3. Repeat to make (21) total blocks.

- Print (3) each of the Foundation Templates A and B from pages 8-9 onto foundation paper. Ensure the 1" square is accurate for sizing. Cut out foundation patterns roughly $\frac{1}{4}$ " outside dashed lines.
- Place a foundation paper printed side down. Place the required position 1 fabric right side up over foundation paper position 1. Pin in place. Hold paper up to light to check that fabric piece completely covers position 1, the outer seam allowances, and at least $\frac{1}{4}$ " outside the solid lines.

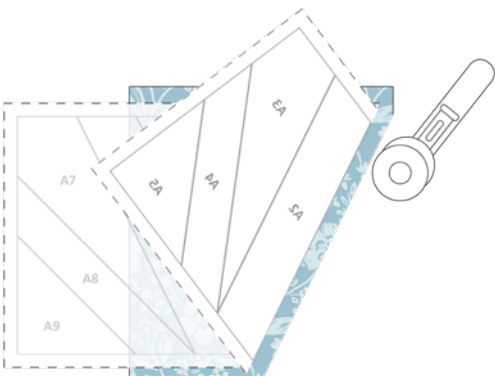

Unmarked Side of Paper

Marked Side of Paper

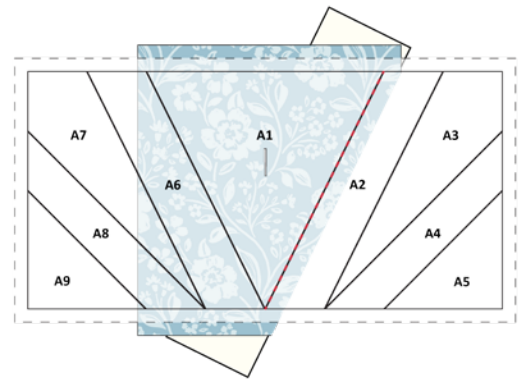

- Turn the foundation paper marked side up. Referring to the diagram, fold the foundation paper back on the marked stitching line between positions 1 and 2. Measure $\frac{1}{4}$ " from the folded edge of the foundation paper and trim using a rotary cutter and ruler to make a $\frac{1}{4}$ " seam allowance.

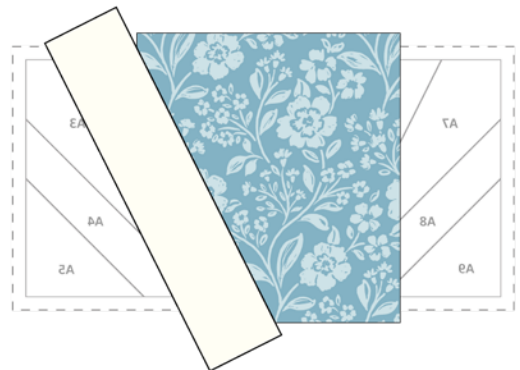

- On the unmarked side of the foundation paper, align the edge of the position 2 fabric with the trimmed edge of the position 1 fabric RST. Check the placement of the position 2 rectangle. Next, on the marked side of the foundation paper, sew on the stitching line between positions 1 and 2 through all layers, extending stitching past beginning and end of the line by a few stitches. Turn the paper over and press the position 2 fabric open (the fabric should completely cover position 2 and any seam allowances along the outside edge).

14. Repeat the trimming and sewing process from steps 12-13 to add fabric pieces in numerical order until all pieces have been sewn to the foundation paper.
15. Using a rotary cutter and a ruler, trim along the dashed outer lines to make a foundation-pieced unit.

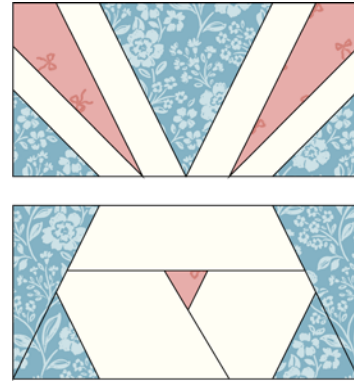

Trimmed Unit

16. Repeat steps 11-15 using each remaining Foundation Template A and B to make (3) total of each foundation unit.

17. Sew (1) trimmed foundation-pieced A unit and (1) trimmed foundation-pieced B unit together as shown below. Remove the foundation paper carefully to avoid pulling the seams or distorting the fabric to make (1) Block 4. Repeat to make (3) total blocks.

Make (3)

9 1/2" x 9 1/2"

QUILT ASSEMBLY

18. Arrange Blocks 1-4 as shown in the Quilt Layout Diagram on page 7. Note: Blocks form diagonal rows across the quilt and the Four-Patch Units create chains, so be careful of the block rotation and placement. Sew the blocks together into rows. Next, sew the rows together to complete the quilt top.

FINISHING INSTRUCTIONS

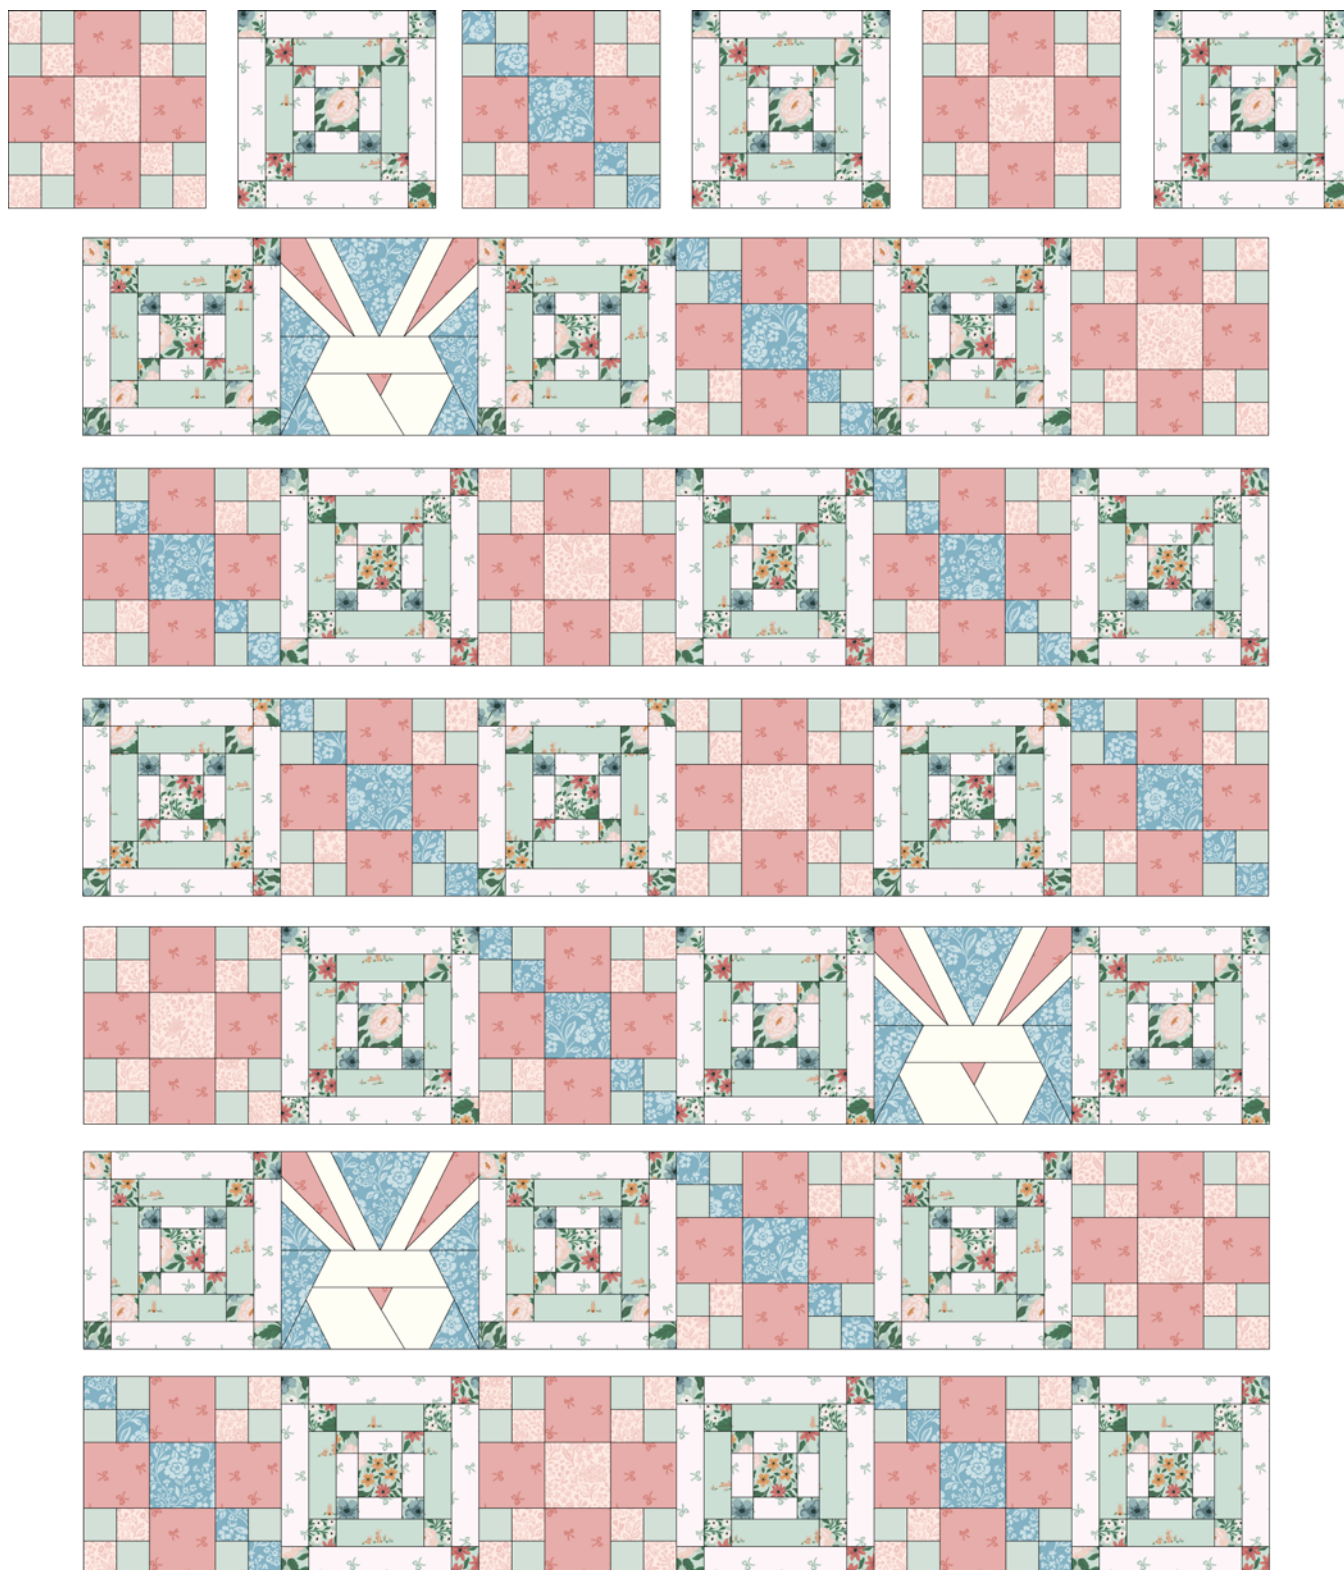

19. Layer the quilt top, batting, and backing. Baste the quilt layers together and quilt as desired. Sew the Blue Trailing Blossoms binding strips together end-to-end. Then bind the trimmed, finished quilt using your favorite binding method.
