Sew Together Pillow

Finished Pillow Size: 16" x 16"
WRST-with right sides together

Please check our website www.rileyblakedesigns.com for any revisions before starting this project.

SUPPLY REQUIREMENTS

16" pillow form
½ yard aqua chevron (C340-20 small aqua chevron) pillow front and back
½ yard clean white solid (C100-01 clean white) pillow front
½ yard of 7 different trims from Sew Together
3 large 2" red chevron buttons
optional: light weight pellon or interfacing for white solid to reinforce where embellishments will be sewn.

FABRIC CUTTING REQUIREMENTS

Cut 1 rectangle 10 ½" x 16 ½" white solid. I used 2 white solid rectangles for reinforcement. You can also reinforce the back of the white solid with pellon or interfacing. For pillow top.
Cut 1 rectangle 6 ½" x 16 ½" aqua chevron (because this is a directional fabric make sure to check what direction you want your chevron running.) For pillow bottom.
Cut 2 rectangles 12 ½" x 16 ½" for pillow back

ASSEMBLY REQUIREMENTS

1. Reinforce white solid with pellon or interfacing before sewing on embellishments and trims. I used two white solid rectangles. Lay trims onto 10 ½" x 16 ½" rectangle. Space trims about ¼" to ½" apart.
2. Pin or glue trims in place.
3. Sew each trim with matching thread. This creates the top trim section.
4. WRST sew the top trim section to the bottom 6 ½" x 16 ½" rectangle. Press.
5. Finish one 16 ½" raw edge on each of the 2 rectangles 12 ½" x 16 ½" for pillow back. Note: Press edge 1" and then press again. Topstitch.
6. WRST place the pillow front and 2 pillow backs together. Pin all 4 corners. Over lap the 2 pillow back pieces in the center. Note: Make sure the finished pillow back edges are in the middle.
7. Sew with a ½" seam allowance around the outside pillow edge.
8. Turn right side out through the pillow back opening.
9. Stuff with a 16" pillow form.
10. Decorate a cute bed or couch with your new creation!
