

dream

by Kristy Lea of Quiet Play

@quietplay

It's no secret that rainbows are my favourite. Whether it's the colour, or the shape, there's just something that cheers the soul. This collection is filled with a full spectrum of colour and features soft, rounded dreamy shapes - rainbows, clouds, hearts, and raindrops.

With a slightly muted rainbow tone (but still a big pop of colour!), the fabrics in this line work together as a collection for when you need a whole lot of rainbow to sew with, or mix and match. My hope is that this line will inspire you to dream big, and sew up a storm!

Do you love Foundation Paper Piecing? Be sure to check out Kristy Lea's Foundation Piecing Paper. This 8 1/2" x 11" paper works beautifully with most printers, doesn't shrink or curl, and tears away easily when done. Each pack contains 100 pieces. You can find Foundation Piecing Paper at your local quilt shop or favorite online retailer.
