

# Winterland

by Amanda Castor

MATERIAL  
GIRL  
QUILTS

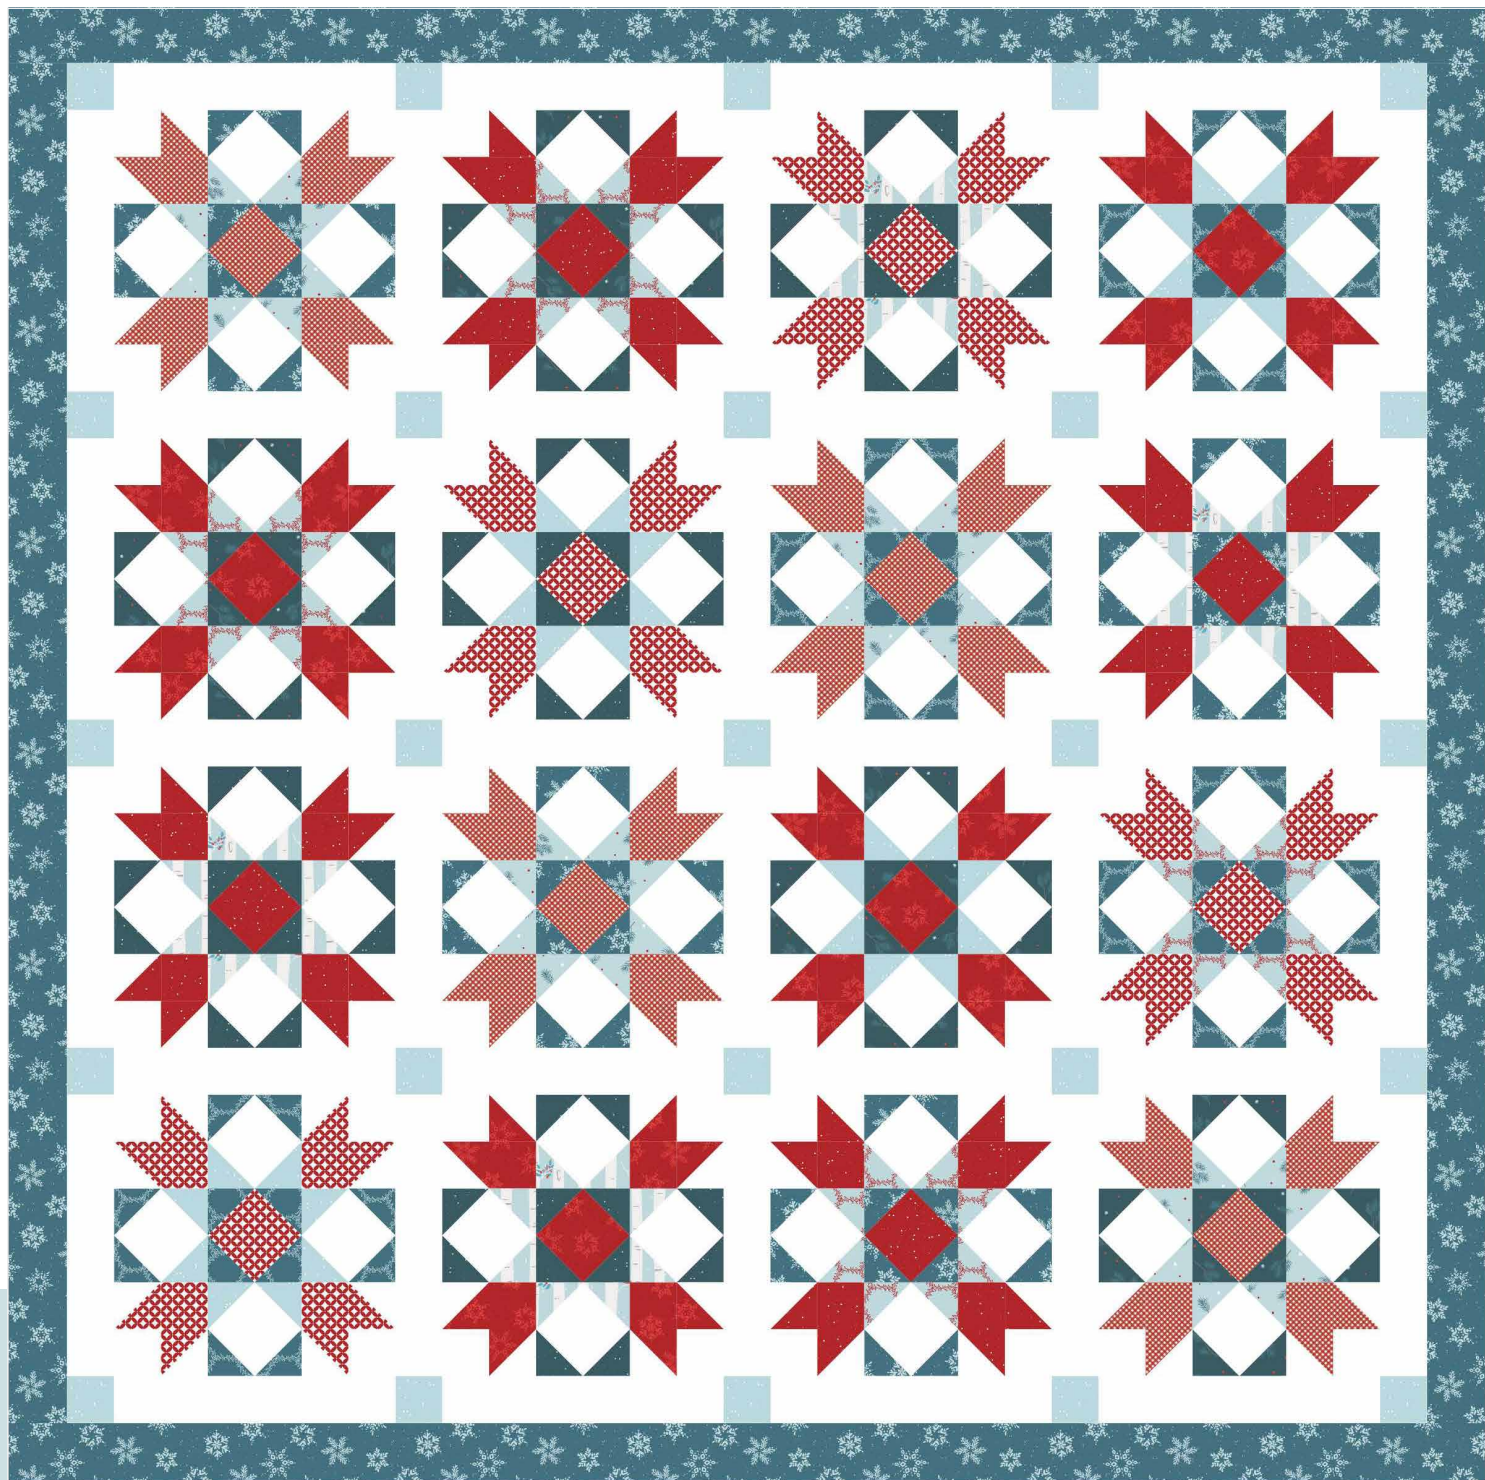

**@materialgirlquilts**

Winterland is inspired by the beauty and wonder of fresh fallen snow. The cardinals, birch trees, spruce twigs, snowflakes and holly berries create a magical winter wonderland that will have you ready to snuggle up while you watch the snow fall. In beautiful shades of deep red, teal, aqua and gray, this collection will be perfect for home decor that can stay out all winter long.
