Thank you for your recent purchase of Stitch Your Jam! This update pertains to the Mug Rugs and revises the No-Show Mesh Stabilizer instructions from Tear Away to Cut Away and the seam allowance size on page 12, step 2 from 1" to ¼".

1. Remove the piece from the hoop. Gently **cut away** the stabilizer.
2. Trim around piece leaving a ¼" seam allowance on all sides.
3. Turn the piece RSO through the opening in the side and cleanly push edges out using the Riley Blake Designs Bird Stiletto Turning Tool. Press.
4. Topstitch all the way around the Apple, sewing the opening closed
