STITCH AND FLIP FLYING GEESSE METHOD

INSTRUCTIONS (SNF-FG)

Draw a diagonal line, corner to corner, on the wrong side of (2) squares. Place (1) square in a corner of (1) rectangle, RST, matching raw edges in the corner to be replaced. Sew on the drawn line. Trim the seam allowance outside the sewn line to ¼". Flip the square away from the rectangle and press, replacing the corner. Repeat with the second square in the opposite corner. The size of the original rectangle does not change.

SEWING INSTRUCTIONS

1. Use the SNF-FG method to sew (1) C-square to each bottom corner of (1) E-rectangle to make (1) SNF-FG unit.

2. Sew (2) F-rectangles and (1) SNF-FG unit together as shown below to make (1) Bow Unit.
