RST = RIGHT SIDES TOGETHER

SNF = STITCH AND FLIP

Sew all seams RST and with a ¼" seam allowance. Press seams as desired unless stated otherwise. Dimensions listed in steps are unfinished sizes. Refer to the following general sewing technique as this method is referenced throughout the pattern in its abbreviated form.

STITCH AND FLIP METHOD INSTRUCTIONS (SNF)

Place (2) pieces RST, matching raw edges in the corner to be replaced. Draw a diagonal line on the wrong side of the smaller piece across the corner. Sew on the drawn line. Trim the seam allowance outside the sewn line to ¼". Flip the smaller piece away from the larger piece and press, replacing the corner. The size of the larger, original piece does not change.

SEWING INSTRUCTIONS

1. Gather the required pieces and use the SNF method to make the units shown below, referencing the diagrams for quantity, proper placement, and orientation.
