8" Finished Block

# PAPER PIECED BIRD BLOCK

## Approximate Fabric Requirements

- 3" x 22" main bird fabric
- 5" square for the wing
- 1½" x 5" strip of orange for the beak and legs
- 5" x WOF background fabric

Make one copy of the template page for each bird block you would like to make.

Visit [quietplaydesigns.com](http://quietplaydesigns.com) for basic technique instruction, tips and tutorials.

When sewing on the paper foundations reduce stitch length to 1.8mm.

## Assembly Instructions

Piece each section in the order shown on the templates. Press well and trim each section back to the seam allowance.

Join the sections together in the following order:

- A+B
- C+D
- AB+CD
- ABCD+E

From the background fabric, cut a rectangle measuring 2¼" x 8½" for section F and add to the top of the block to complete it.

Box should measure 1"
