Sewing Instructions

All angled pieces are constructed using the sew and flip method. The method is described below and referenced throughout the pattern.

Sew and Flip Method

Place the 2 pieces right sides together matching the raw edges in one corner. Draw a diagonal line on the wrong side of the top piece across the corner. Sew on the drawn line. Trim the seam allowance above the sewn line to ¼". Flip the top piece away from the bottom piece and press.

1. Using the sew and flip method, sew G squares to the upper corners of a B rectangle. Repeat to make 2 Unit 1 (2½" x 5½").

2. Using the sew and flip method, sew an F square to the lower left corner of a D square. Repeat to sew a second F square to the lower right corner to make Unit 2 (2½" x 2½").

3. Using the sew and flip method, sew an F square to the lower right corner of a C rectangle. Repeat to sew a second F square to the upper right corner to make 1 Unit 3 (2½" x 4½"). Repeat to make 3 Unit 3.

4. Using the sew and flip method, sew an E square to the lower right corner of an A square. Repeat to make 2 Unit 4 (4½" x 4½").

5. Lay out the Units, 2 C rectangles and 1 D square into 4 rows as shown. Sew the pieces into rows. Sew the rows together to complete the I Heart Quilting Block (10½" x 10½"). Press seams as shown.
