Sewing Instructions

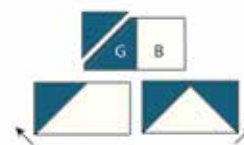

1. Draw a diagonal line on the wrong side of the A squares. Align the A and C squares, right sides together. Sew along both sides of the drawn line with a ¼" seam allowance. Cut along the drawn line. Makes two half square triangle blocks (HST). Open and press both HSTs. Trim to 3" x 3". Repeat with the remaining A square and D square, and with both of the E squares and F squares.

2. Arrange and sew the A/C and A/D HSTs together as shown below to create the center Pinwheel (5½" x 5½").

3. Draw a diagonal line on the wrong side of the G squares. Place a G piece on the top left corner of a B rectangle and sew on the drawn line. Trim away excess fabric, leaving ¼" seam allowance. Press. Repeat the process with another G square in the top right corner to complete the Flying Geese unit (3" x 5½"). Repeat to make a total of 4 Flying Geese units.

4. Lay out pieces and sew as illustrated below. Sew sections into rows. Press to complete the Wind Blown block (10½" x 10½").
