

# Shine TOGETHER

Everything is brighter when we come together!  
The Shine Together Quilt Pattern features a rainbow of colors from POParazzi and Hush Hush 3 to create one harmonious quilt.

From **January 12th to March 15th**, each Friday, one to two designers will share an alternative Sawtooth Star center 6" block tutorial/pattern on their own channels. Riley Blake Designs will also share the designer blocks as well as a tutorial for one of the original Sawtooth Star block designs from the quilt.
