About the Line

The song 'The Twelve Days of Christmas' holds a truly special place in my heart. As I reminisce about my childhood, I remember how my mother ingeniously created her own version of the 12 days of Christmas, infusing delightful connections to the original song. Those cherished memories inspired me to create this collection, *A Pear-fect Christmas*. From the partridge in a pear tree to twelve drummers drumming, the whimsical and joyful lyrics brought the enchanting collection together. I hope to evoke the same joy and anticipation that the song brought to my own life and invite you to relish in the timeless magic of the holiday season.
