About the Line

Sandy Gervais
@gervaisandy

Adel in Summer by Sandy Gervais is the perfect follow-up to her other stunning seasons collections – Adel in Spring, Adel in Autumn, and Adel in Winter.

Adel in Summer is a gorgeous floral collection inspired by summer at Grammie’s. It was all about gardening, canning, and chickens. Grammie’s fruits and vegetables went into fruit jars while berries were turned into jams and jellies. Apples from Grammie’s large apple tree, which shaded the chicken house, were made into delicious applesauce. And after a long day of canning and garden tending, there would be a bouquet of zinnias (in a fruit jar) on Grammie’s buffet – it was the perfect amount of pretty!

Featuring colors like pink, berry, yellow, pear, orange, and creamsicle, the vintage-like florals and geometric prints in this collection will hopefully inspire you to create picnic quilts and rocking chair or porch swing pillows, and so much more!

Don’t miss Sandy’s “In a Fruit Jar” table runner kits. Collect them all!
