**About the Line**

For over 100 years, Anne of Green Gables by L. M. Montgomery has been beloved by girls and women of all ages. Anne Shirley, with her spunk, whimsy, and imagination, has inspired generations. The beautiful setting of Prince Edward Island, Canada, has been lovingly portrayed, almost as a character itself. Many who have loved the books can picture the house, the farm, the school, and the surrounding towns and villages as well as they can recall the characters.

Penny Rose Fabrics is honored to partner with the Anne of Green Gables Licensing Authority to translate the stories and passions of Anne Shirley to fabrics, as well as recreating traditional patterns and colors from that time. With over 50 million copies in more than 20 languages, Anne of Green Gables is the definition of a timeless classic.
