About the Line

Melissa Lee
@melissaleedesign

Arid Oasis is my best effort to showcase the huge variety of both shapes and color among succulents in a single collection, as well as an exploration of the hardiness and self-sufficient nature of the plants. Their ability to thrive in climates where most plants perish, as well as in the homes of modern city dwellers, is paid homage through a color study of earthy terra-cotta hues, bold pastels, and both vibrant and opaque greens. I hope you find them as inspiring as I do!
