Wings open and the tag and pockets hold the game pieces.

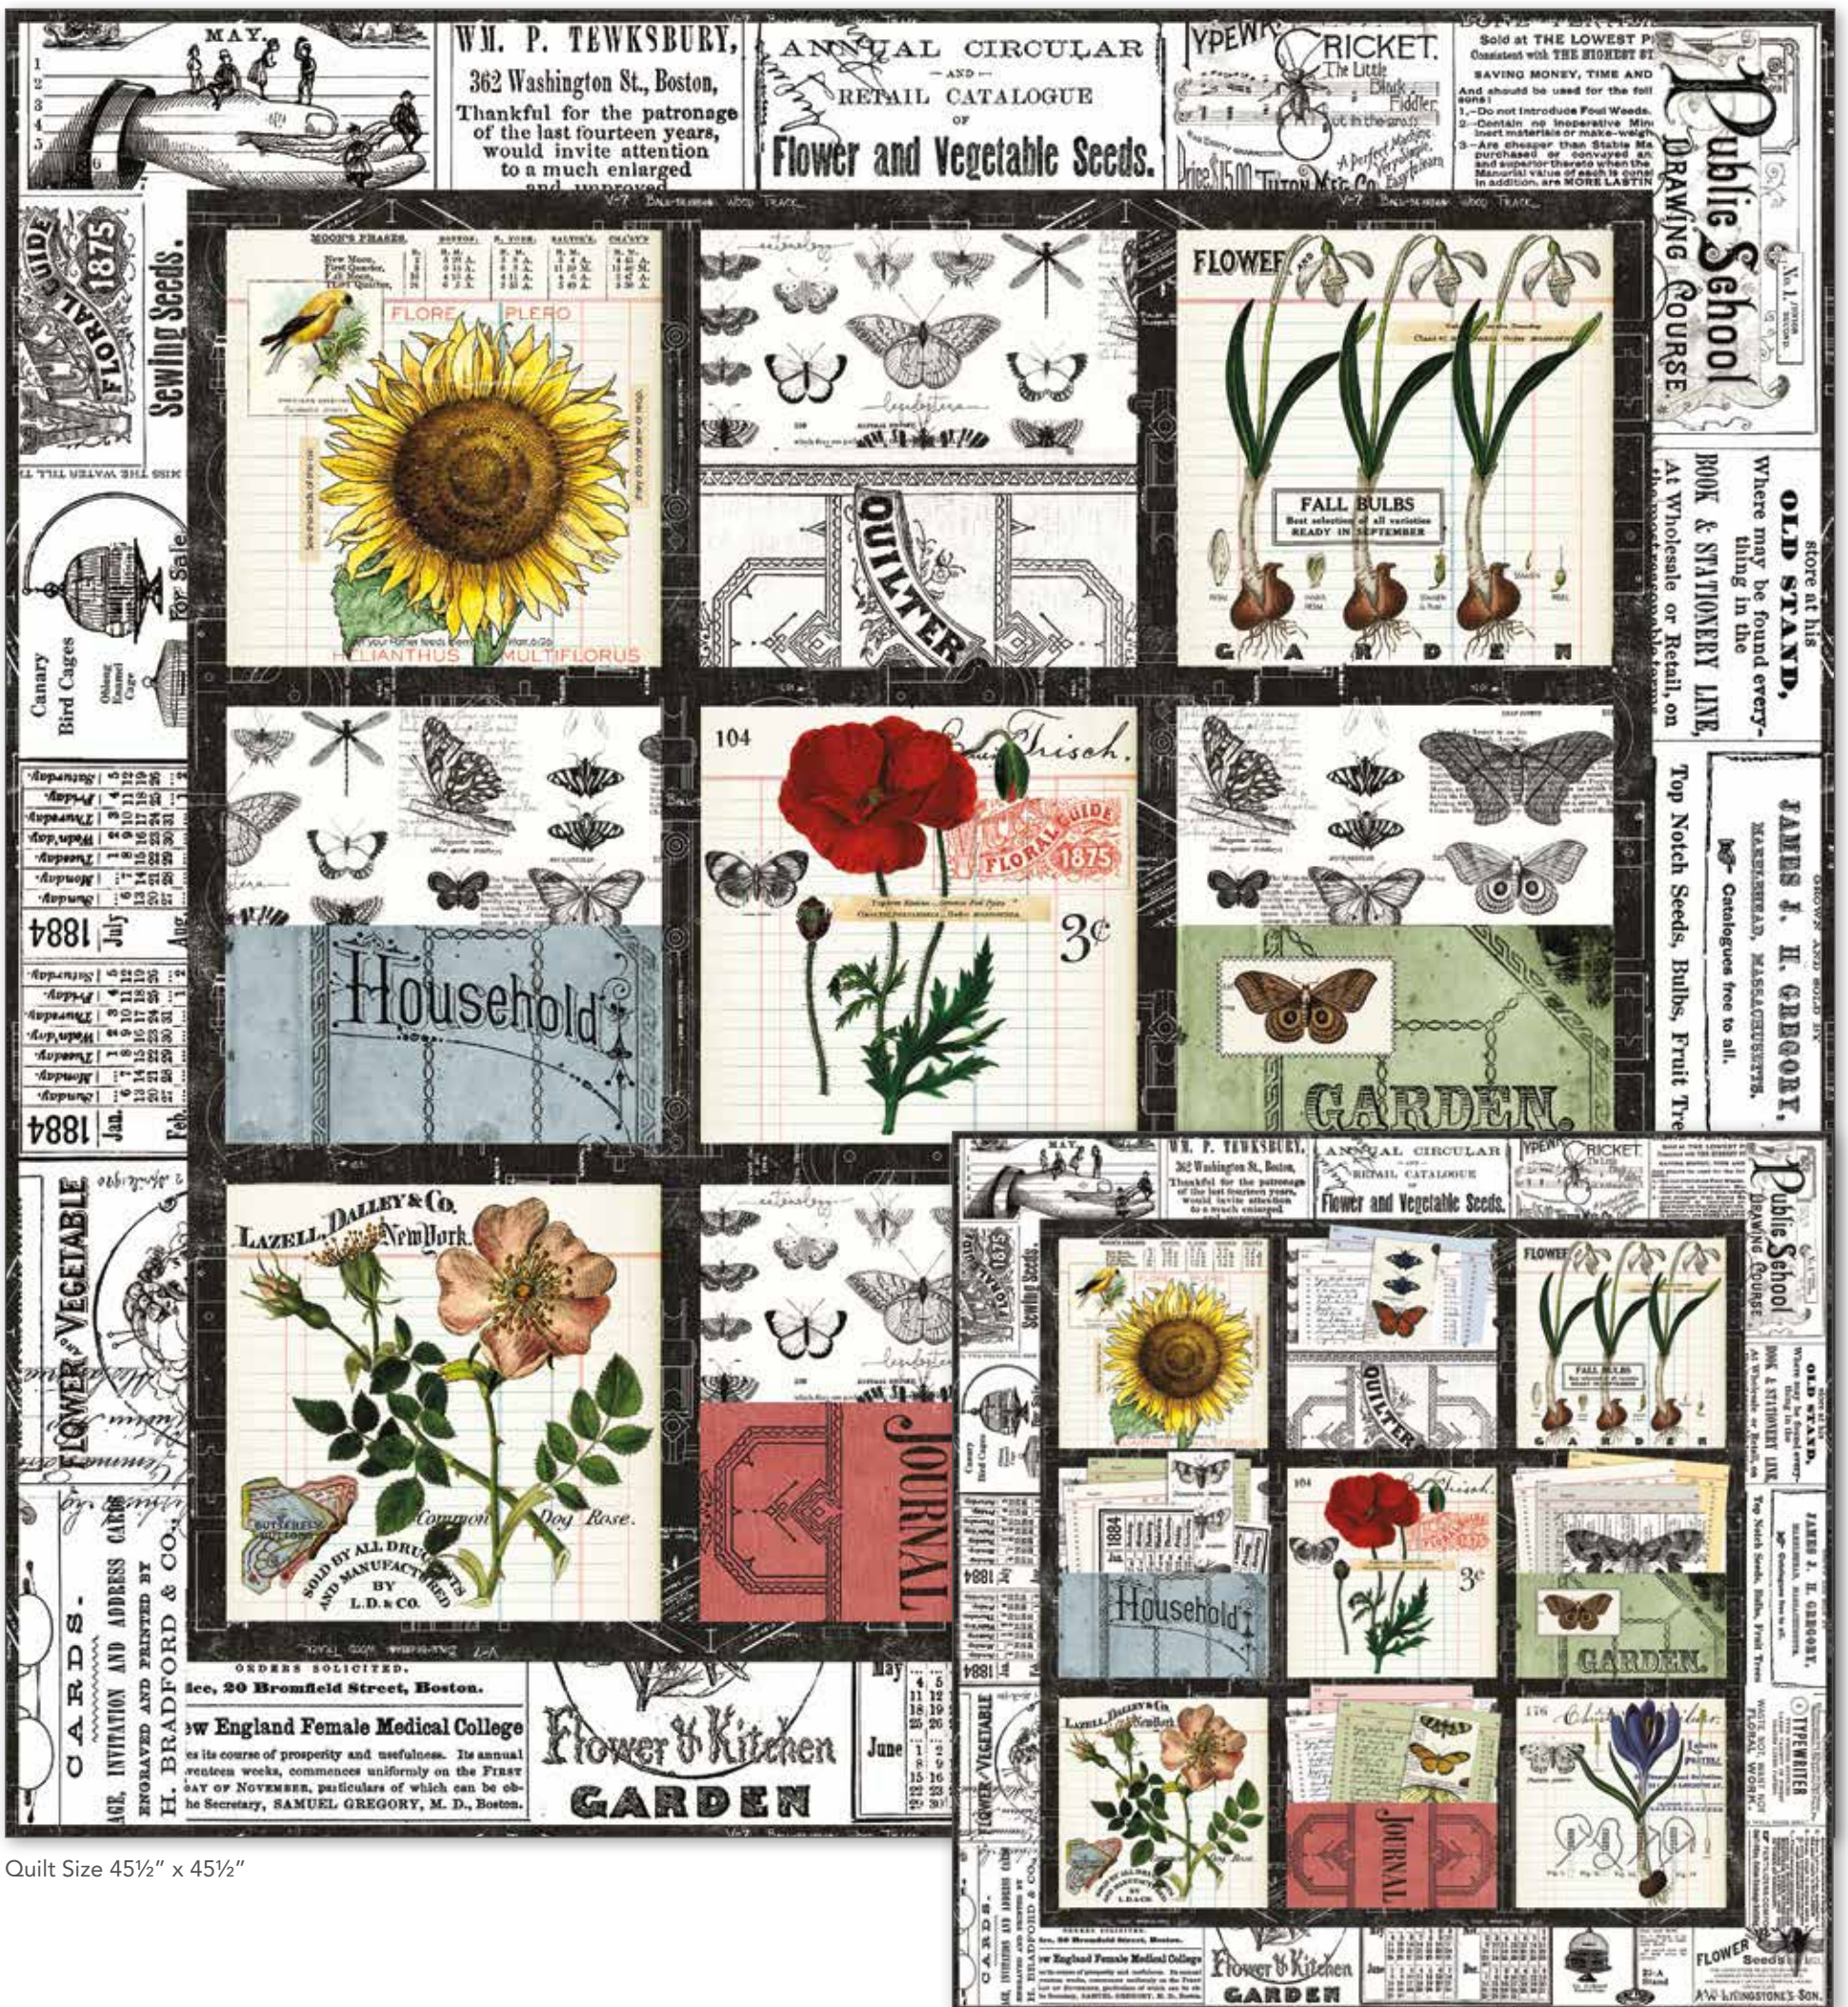

The simple game of matching layered with the three-dimensional piecing of this whimsical quilt kit and pattern will spark creativity and imagination as your loved ones explore the world of these magical and handsome winged insects.

Completed, the wings on the moth and lady bug lift up to reveal another layer of print and pattern – a true art journaling technique. Create appliqué bug stamps with the Bug Post print and store them in delightful moth, lady bug, and tag pockets.

About the Line

J. Wecker Frisch
@jweckerfrisch

The *Art Journal* fabric collection is image-rich ephemera (old paper) that was carefully chosen from the personal archive of designer J. Wecker Frisch. Janet's lifelong passion for antique illustration and advertising, highlights the study of nature using a modern/vintage eclectic style. Each SKU is well-suited for collage and art quilting, fabric journal making and much more.

The art of journaling and book making has grown into a maker's obsession. Images, and sentimental scraps that we all collect over time are being collaged and enhanced using sketchy stitches, inks and dyes pushing the boundaries of creativity a bit further when combined with traditional quilting and sewing techniques. A passion that touches the soul in an artful way.
