For sixty years Barbie has been representing women in new ways, becoming a symbol of independence and empowerment. Through her inspiring careers and exciting fashions, she has become an international icon, and muse around the world. Not only has she been an interpreter of taste and style in every decade she’s lived through, but she has also inspired women and girls to dream bigger than ever before by letting them imagine their futures like never before. By continuing to break boundaries and take on aspirational and culturally relevant roles, she shows girls you truly can be anything.
