About the Line

Beachcomber was inspired by Christa Watson’s love of the beach. Growing up in a literal desert, bodies of water are few and far between. So Christa loves to stock up on "Vitamin Sea" while beachcombing – hunting for tiny treasures like shells and sea glass.

Rather than interpreting the beach literally, this collection captures interesting geometric textures that can be found in both surf and sand. From the graphic rhythm of the boardwalk to the ebb and flow of the tides, Beachcomber brings together quilt-inspired patterning with a relaxed coastal vibe.

It includes 21 prints plus 3 wide backs in 3 color stories. The wide backs can also be used as cheater panels for a quick, no sew quilt top, and they’re perfect for machine quilting practice, too!
