About the Line

My mom was a lover of Halloween. My father made a giant witch in a moon. They hung said witch high up in the walnut tree in their front yard. There was a spotlight on her and you could see her for miles.

Mom and her sidekick Pearl (in their 60's and 70's) always went trick-or-treating...mostly tricking.

The witch in the moon on the panel is a tracing of dad's witch. And one has to wonder...is that a little girl dressed up as an old lady or is it an old lady trick-or-treating? And the ghost?...could that be Millie's sidekick Pearl?

When we cleaned out the farm I inherited the witch and now I hang her in our yard. My sister suggested I do a fabric line using dad's witch. Done.

Now you know the rest of the story.

The projects portrayed are virtual images. The look of the projects may differ with actual fabric.

The project virtual(s) shown may be different than the image shown on the pattern cover.

Approximate fabric requirements are listed to aid in estimating the amount of yardage to order and are subject to change.

Backing yardage is shown using the best use of fabric and may not be intended for directional fabric.
