About the Line

The town we live in holds a Strawberry Festival every spring! It has everything you love about small towns - cute booths, a parade, a quilt show, and of course all sorts of strawberry treats. And we do our part to support the festival by eating lots of strawberries!

I created this collection to have all sorts of berry fun elements - strawberries, flowers for Spring, and cute little bicycles to carry all your strawberry finds home. I hope you have lots of fun creating with this collection!
